PREFACE

The Warburtons of Partington are descended from William Warburton who was granted land in Parington in 1320. This branch starts with John of Partington who died and left a will in 1604. It was developed from a tree sent to me by Cathy Warburton of California

This clan includes the previously published Pennsylvania Clan which describes the descendants of George Warburton and Mary Chandler. George was the son of George of Partington who was baptised at Warburton in 1674.

The Pennsylvania branch was established when John Warburton and Mary nee Sadler took their family to America in 1816.

First Generation

1. Warburton.

From Norman Warburton's **Warburton: The Village and the Family:** There is a contract dated 1320 in which William Warburton, the son of Piers Warburton of Warburton by his second wife Harwise of Heffield, is granted four eighteenths of the manor of Partington. The Warburtons of Partington are said to be his descendants.

Partington is a township in the parish of Bowdon, though it is much closer to the parish church of Warburton, and even the parish church of Flixton. The Partington Warburtons frequently used St Werburgh's at Warburton for baptisms and burials. They occasionally used Bowdon. and the baptism of Gilbert, son of George, at Flixton suggests this was also used. It is unlikely the main line of Partington Warburtons used any other locations, except where it can be shown that cadet branches relocated to other townships.

In addition to the Warburtons in this tree there are a number of other, so far unconnected Warburtons who are described as ‘of Partington”. The prime source for these are wills described by Norman Warburton:

Nicholas of Partington: In a Will dated 29th August 1590, and proved the following January, Nicholas refers to his brother Hamnett, his brother’s son, also Hamnett, his brother’s bastard son Ralph Warburton, otherwise Leigh, his wife Margaret, his son-in-law Roger Whytlegge (Whitelegge), and nephew Robert Partington, son of Robert Partington (who is presumably another son-in-law.) He also bequeaths 40s plus £6 13s 4d to Elizabeth daughter of George Warburton, making £20 towards the taking of her father’s tenement and messuage.

John of Partington: An Administration dated March 30th 1608 was granted to ?, name illegible, probably his wife.

Hamnett of Partington: In a Will dated 5th June 1651 Hamnett mentions son Richard (his executor), son Thomas, and two unnamed daughters. He left Richard ‘all estate and interest I have in lands purchased of Peter Booth of Coggeshall’.

From Normans book, page 46; In 1673 Richard Warburton is shown in the rent rolls and hearth tax returns as having 5 hearths. This implies that Richard, son of Hamnett Warburton and brother of Thomas of Partington, was of Warburton Park, and responsible for the extension to the church [at Warburton] and possibly the building of the Park Pews referred to in Drinkwater’s pew seating plan. Richard is probably the Richard of Warburton buried in wool on February 12th 1683/4.

Thomas of Partington: In a Will dated December 28th 1674, and proved the following year,

Thomas refers to daughters Jane and Katherine, his executors, and Sarah Earle, wife of John Earle, sons Richard, John, and Thomas, his wife Ann, and a further daughter Elizabeth Hall, and her son Thomas. He also mentions brother Richard, sister Jane Lever, and sister-in-law Ann Warburton (presumed to be Richard's wife). The will mentions considerable lands and properties including 'several houses in Appleton', 'my messuage in Cronton' [Lancashire], 'the tenement and barn in Warburton in my own possession', 'my tenement in Latchford bought of Peter Hall late of Latchford (probably the husband of Elizabeth), and 'my lands in Withington alias Lower Withington'. Thomas of Partington, Gentleman was buried at Warburton on January 22nd 1674/5.

Ann of Partington, widow of Thomas: Ann's Will, dated May 18th 1675, mentions Jane, Katherine, Sarah Earle, Elizabeth Hall, Thomas, Richard and John in line with her husband's will. Ann of Partington was buried on May 25th 1675 at Warburton.

Ignoring the John whose Administration was in 1608, these wills etc. build a tight family of two brothers, Richard and Thomas and their families, their father Hamnett, grandfather Hamnett, and great uncle Nicholas. They seem to be a wealthier family than that descended from John (died 1604). However they do not seem to be incorporated in any Public Member Trees at Ancestry, their descendants have not been identified in later records, and they cannot be linked to John.
Children:

2 i. **John Warburton** (-1604)

ii. **Jane Warburton**.

Jane married **Massey**.

Possibly William or Richard, based on Janes's brother John's Will.

Second Generation

2. John Warburton ([1]). John died in Partington, Cheshire, in Oct 1604. He was buried in Warburton, St Werburgh, Cheshire.

The first record of the connected Partington family is the Will of John Warburton of Partington, proved on October 26th 1604. This mentions: daughter Ann, sons Richard and George (who is married to Margaret), Gilbert son of George. Ann daughter of Richard, sister Jane Massey, and daughter Jane Yordsford, her husband Henry, and children George and Hugh. He also mentions his wife Alis, and son-in-law Edmund Owen. Richard and George are executors. He requested to be buried at Warburton, though there no parish records at this date..

After various bequests he divides the balance of his estate between his three children George, Richard and Ann. However he has previously mentioned a son-in-law (Edmund Owen) and a married daughter (Jane Yordsford), so there must be 3 daughters in all, though one would appear to have died as no wife of Edmund Owen is mentioned.

This Will is also mentioned in Earle Warburton's book on page 153.

John married **Alice**.

They had the following children:

3 i. **George Warburton** (-<1631)

ii. **Daughter Warburton**. Daughter died bef 1604.

Son-in-Law Edmund Owen is mentioned in John’s will, though there is no mention of his wife so she had presumably died by 1604.

Daughter married **Edmund Owen**.

4 iii. **Richard Warburton** (~1580-1654)

iv. **Anne Warburton**.

v. **Jane Warburton**.

Jane married **Henry Yordsforth**.

Henry and Jane had two sons, George and Hugh, mentioned in her father's will.

Third Generation

3. George Warburton (*John*[2, 1]). George died in Partington, Cheshire, bef 1631.

George married **Margaret**. Margaret died in Partington, Cheshire, in 1631. She was buried in Warburton, St Werburgh, Cheshire.

Margaret Warburton's Will of 1631 mentions late husband George, sons John (the eldest), George and Gilbert (the youngest), and god daughter Margaret Partington. George and Gilbert were unmarried at that time. It also mentions brother-in-law Richard Warburton and son John Warburton as her true and lawful executors. She requested to be buried at Warburton, though there are no parish records at this date.

This will can also be found in Earl Warburton's book.

They had the following children:

5 i. **John Warburton** (<1602-1667)

ii. **George Warburton**. George was born bef 1602. George died aft 1667.

George is executor to brother John's will. John also refers to his estate in fee simple, and a debt of £110 to John Marton in which brother George is also engaged. George and his heirs and assigns are granted a part of the estate until the debt is paid, when it reverts to son George.

This implies George had a wife and family but no details are known.

iii. **Gilbert Warburton**. Gilbert was born in Partington, Cheshire, in 1602. He was christened in Flixton, St Michael, Lancashire, on 14 Mar 1602.

Gilberte Warburton was baptised on 14th Mar 1602 in Flixton, son of George.

On 7 Feb 1639 when Gilbert was 37, he married **Jane Birchshaw** in Warrington, St Elphin, Lancashire.

Jane is possibly related to the John Birchall who witnessed Gilbert's mother Margaret Warburton's will.

4. Richard Warburton (*John*[2, 1]). Richard was born abt 1580. Richard died in Partington, Cheshire, on 8 Nov 1654. He was buried in Bowdon, St Mary, Cheshire, on 10 Nov 1654.

Richard's burial is recorded at Warburton and Bowdon. His will requests burial at Warburton but the National Burial Index puts it at Bowdon. There is further confusion in that the Bowdon entry gives the burial date of November 20th, but a date of death as November 8th. Burials were invariably within two days of death.

Richard's Will is listed under the Prerogative Court of Canterbury, signed on August 12th 1653 and proved on January 24th 1655. An image of the will can be found on Ancestry. It mentions his wife Anne, daughter Isabel Massie, and grandchildren Jennet Hayes, Robert and Margaret Clively, John Partington, and Margaret, Jane, and Mary Massie. There are also three great-grandchildren, and mentions of [nephew] John Warburton of Partington and his sons George and Peter. The executors are nephew Robert Clively of Rixton, and daughter Isable Massie. The will is witnessed by Thomas Warburton (possibly a Thomas of the Warburton Clan). A reference to his wife Anne who may dispose of her bequest “to her own children” implies she was previously married. If it is a late second marriage, then she is not the mother of Richard’s children, and the marriage to Ann Domville would fit.

Richard first married **Unknown**.

They had the following children:

i. **Anne Warburton**.

   Anne is mentioned in grandfather John’s will.

ii. **Isabel Warburton**.

   Isabel Massie, daughter, is mentioned as executor of her father’s will. Also there are bequests to granddaughters Margaret, Jane, and Mary Massie.

   Isabel married **Massey**.

On 10 Jun 1649 when Richard was 69, he second married **Anne Domville** in Lymm, St Mary, Cheshire. Uniquely Richard and Ann are given a title, possibly Mr and Mrs.

Fourth Generation

5. John Warburton (*George*[3], *John*[2], [1]). John was born bef 1602. John died in 1667. He was buried in Warburton, St Werburgh, Cheshire, on 7 Jul 1667.

From Norman Warburton's book the will of John of Partington yeoman, dated 2 July 1667, was proved by George Warburton one of the executors, Peter Warburton, the other executor having renounced. John requested to be buried near to his late father. He owed a debt of £110 to John Marton of Heathly in Lymme, which brother George owed with him. It is possible this is a corruption of John Marken, and therefore related to Margaret Marken who married John's son Peter. This could explain Peter's acquisition of land at Heatley.

John also refers to his estate in fee simple. Brother George and his heirs and assigns are granted a part of the estate until the £110 debt is paid, when it reverts to son George. Part of the estate also goes to his wife Elizabeth for her life, and then to son George.

His brother George and son Peter were to be executors. Witnesses were Thomas Warburton (possibly Thomas of the Warburton Village clan who died in 1670), and Richard Owen.

John's marriage to Elizabeth has not been found in parish records. That to Elizabeth Kay in Bury is too remote. Even if he had married a girl from Bury he would have lived on his lands in Partington and had his children baptised locally.

John married **Elizabeth**. She was buried in Warburton, St Werburgh, Cheshire, on 14 Apr 1672.

Elizabeth is described as the wife of John of Partington on her burial. She should be a widow so this might be a different Elizabeth's burial.

They had the following children:

6 i. **George Warburton** (1640-1686)
7 ii. **Peter Warburton** (-1682)

Fifth Generation

6. George Warburton (*John*[4], *George*[3], *John*[2], [1]). George was born in Partington, Cheshire, on 3 Dec 1640. George died in Partington, Cheshire, in 1686. He was buried in Warburton, St Werburgh, Cheshire, on 20 Nov 1686.

The Inventory of George's goods is dated December 3rd 1686, but is damaged. An administration in the Act Book at Preston is granted to his widow Mary on December 22d 1686. It provides for tuition fees for children John aged 15, Elizabeth 19, and George 12.

In 1736 George and his son John were mentioned in a legal case brought by the Drinkwater family. The Drinkwaters were bailiffs of Warburton for many generations and occupied a farm at Bent, to which they constructed a private lane called Bent Lane. In 1736 there was a dispute over their right to close this lane and John Warburton was quoted in the Drinkwaters' testimony which stated John was aged 65, and his father died 49 years before aged 60. John would be 65 in 1736 so fits the description of the witness. His father George died in November 1686 so fits the father who died "49 years since". However George was well short of the 60 years of age claimed for him, being only 46 when he died.

Norman Warburton's book describes this dispute in more detail and also states that George's younger brother Richard of Heatley in Lymm was the ancestor of the Warburtons of Wet Gate. In fact Richard was George's nephew, son of his brother Peter.

On 6 Nov 1666 when George was 25, he first married **Ellen Hesketh** in Bowdon, St Mary, Cheshire. From Cheshire Bonds and Allegations: 1666 George Warburton, of Partington, Cheshire, and Ellen Hesketh, of Sinderland, Cheshire, Spinster. Bondsman, Hamlett Taylor, of Partington. Ellen was born in Sinderland, Cheshire. Ellen died in Partington, Cheshire, in 1675. She was buried in Warburton, St Werburgh, Cheshire, on 14 Jun 1675.

They had the following children:

i. **Elizabeth Warburton**. Elizabeth was born in Partington, Cheshire, in 1667. She was christened in Bowdon, St Mary, Cheshire, on 5 Nov 1667.

Elizabeth's father was George of Partington on her baptism record.

ii. **John Warburton**. John was born in Partington, Cheshire, in 1671. He was christened in Bowdon, St Mary, Cheshire, on 14 Nov 1671. John died in Partington, Cheshire, in 1738. He was buried in Bowdon, St Mary, Cheshire, on 22 Aug 1738.

John's father was George of Partington on his baptism record. John would be expected to inherit his father's land, but no wife or children have yet been found.

A John, son of George of Partington, buried on May 13th 1669/70 may be an older brother whose name he reused.

He is probably the John of Partington who was buried at Bowdon in 1738.

8 iii. **George Warburton** (~1674-1735)

Bef 1678 when George was 37, he second married **Mary**.

They had the following children:

i. **Ellen Warburton**. Ellen was born in Partington, Cheshire, in 1678. She was christened in Bowdon, St Mary, Cheshire, on 2 Jun 1678.

Ellen's father was George of Partington on her baptism record.

ii. **Mary Warburton**. Mary was born in Partington, Cheshire, in 1680. She was christened in Bowdon, St Mary, Cheshire, on 27 Dec 1680. Mary died in 1716. She was buried in Warburton, St Werburgh, Cheshire, on 30 Oct 1716.

Mary's father was George of Partington on her baptism record. Her burial is possibly that of Mary, daughter of George of Partington on October 13th 1716 at Warburton.

iii. **Margaret Warburton**. Margaret was born in Partington, Cheshire, in 1683. She was christened in Bowdon, St Mary, Cheshire, on 9 Apr 1683.

Margaret's father was George of Partington on her baptism record.

7. Peter Warburton (*John*^{4}*, George*^{3}*, John*^{2}*,* ^{1}). Peter died in 1682. He was buried in Lymm, St Mary, Cheshire, on 10 Apr 1682.

The will of Peter of Heatley in Lymme, yeoman dated April 7th 1682 mentions Thomas Leigh and Anne Owen his servants, Richard his eldest son, Uncle George Warburton, Richard Steele of Reddich his real friend, George Warburton of Partington his loving brother, and George his youngest

son. There is no mention of daughters or a wife. Witnesses were Arnold Drinkwater and Thomas Hesketh (brother George married Ellen Hesketh so this could be a brother-in-law).

Arnold Drinkwater's Will of 1692 mentions Richard Warburton of Heatley Yeoman, and his brother George Warburton. Witnesses of that Will are Richard and Sarah Warburton, and Thomas and Alice Starkey.

.

On 15 Aug 1666 Peter married **Margaret Marken** in Warrington, St Elphin, Lancashire. In Cheshire Bonds and Allegations: Aug. 13 1666 Peter Warburton, of Partington, Cheshire, and Margaret Marken, of Heatley, Parish of Lymm, Cheshire. Bondsman, George Warburton, brother of said Peter Warburton. Margaret was born in Heatley, Lymm, Cheshire.

They had the following children:

i. **Ellen Warburton**. Ellen was born in Lymm, Cheshire, in 1667. She was christened in Lymm, St Mary, Cheshire, on 24 Jun 1667.

Ellen was the daughter of Peter Warburton of Lymm on her baptism record.

9 ii. **Richard Warburton** (1669-1727)

10 iii. **George Warburton** (1670-1728)

Sixth Generation

8. George Warburton (*George*[5], *John*[4], *George*[3], *John*[2], [1]). George was born in Partington, Cheshire, abt 1674. George died on 26 Jan 1735. He was buried in Warburton, St Werburgh, Cheshire.

This branch of the tree was formerly a separate clan called the Pennsylvania clan. It is based on that recorded on the Sullivan County Settlers site by Lyle Rockwell and Larry Pardoe at: http://www.rootsweb.ancestry.com/~pasulliv/settlers/settlers53/settlers53.htm (referred to as the Settlers Site). They in turn took their information from the John & Mary Sadler Warburton Family Bible, and in particular the Diary (referred to as the Family Diary), in possession of their 3x great grandson George Robert Warburton (born in 1930), together with information from George on the descendants of George T. Warburton, son of John & Mary Warburton. I have added details and opinions to the early English generations, including additional material from Cathy Warburton of California.

The Settlers Site gives George's birthplace as Liverpool. However known events such as George's place of burial, and events in the lives of his children are all in the Lymm, Warburton, Hollinsfare area until his grandson John moved to Liverpool around 1800. Therefore he is most likely to be the 12 year old George who is mentioned in the 1686 Inventory of George of Partington.

On 8 May 1707 when George was 33, he married **Mary Chantler** in Lower Peover, Cheshire. The marriage location is from FamilySearch and contradicts the Settlers Site which places the marriage at Warburton. Mary was born abt 1686. Mary died in 1766. She was buried in Warburton, St Werburgh, Cheshire, on 5 Feb 1766.

They had the following children:

i. **Margaret Warburton**. Margaret was born on 24 Nov 1708. Margaret died on 13 Jun 1729. She was buried in Warburton, St Werburgh, Cheshire, on 14 Jun 1729.

   Margaret is the daughter of George of Warburton on her burial record.

ii. **Elizabeth Warburton**. Elizabeth was born on 19 Feb 1710. Elizabeth died on 28 Dec 1752.

   Elizabeth married **Thomas Hornby**.

11 iii. **George Warburton** (1718-1761)

12 iv. **Peter Warburton** (1725-1794)

9. Richard Warburton (*Peter*[5], *John*[4], *George*[3], *John*[2], [1]). Richard was born in Lymm, Cheshire, in 1669. He was christened in Lymm, St Mary, Cheshire, on 21 Aug 1669. Richard died in Lymm, Cheshire, on 10 Dec 1727.

Richard was baptised the son of Peter Warburton of Lymm. He was buried as Richard of Heatley Heath.

Norman Warburton, in **Warburton: The Village and the Family**, identifies Richard of Heatley in Lymm as the ancestor of the Warburtons of Wet Gate, though he identifies him as the uncle of John of Partington, who testified in favour of Arnold Drinkwater in his 1736 case to declare Bent Lane as his private property. Richard is in fact John's cousin.

Richard is mentioned in his father's will as his eldest son. Also mentioned is younger brother George.

On 18 May 1690 when Richard was 21, he married **Sarah Steele** in Warrington, St Elphin, Lancashire. Richard's wife is identified as Sarah because Richard and Sarah were witnesses to Arnold Drinkwater's will in 1692, and a widow Sarah of Heatley was buried 2 years after Richard died. Her identification as Sarah Steel is because the marriage was one year before their first child was baptised, and Richard's father's will referred to his best friend Richard Steele. Sarah died in Lymm, Cheshire, on 4 Apr 1729.

Sarah was buried as a widow of Heatley.

They had the following children:

i. **Peter Warburton**. Peter was born in Lymm, Cheshire, in 1691. He was christened in Lymm, St Mary, Cheshire, on 22 May 1691. Peter died in Lymm, Cheshire, in 1705. He was buried in Lymm, St Mary, Cheshire, on 28 Feb 1705.

   Peter was the son of Richard on his baptism. He is probably the Peter who was buried on February 28th 1704/5 as a second Peter was baptised shortly afterwards.

ii. **Margaret Warburton**. Margaret was born in Lymm, Cheshire, in 1692. She was christened in Lymm, St Mary, Cheshire, on 22 Oct 1692.

iii. **Mary Warburton**. Mary was born in Lymm, Cheshire, abt 1695. She was christened in Lymm, St Mary, Cheshire, on 13 Jan 1695.

13 iv. **John Warburton** (~1700-1775)

v. **Richard Warburton**. Richard was born in Lymm, Cheshire, on 14 Dec 1696. He was christened in Lymm, St Mary, Cheshire, on 27 Dec 1696. Richard died in Lymm, Cheshire, on 12 Jan 1781. He was buried in Lymm, St Mary, Cheshire, on 15 Jan 1781.

   Richard was 'of Wetgate' aged 84 on his burial record. He is buried in grave OZ21. The gravestone names his father and date of birth. Also present are his 3x great nephew Leigh (a descendant of his brother Thomas), his wife Mary, and two daughters.

His will mentions nephew Richard Warburton, brother Thomas Warburton, nephew Thomas Warburton of Flixton, only son of brother John Warburton deceased, nephew Peter Warburton of Heatley, Sarah, Christiana, Elizabeth, and Ellen daughters of John, and John, Peter, Thomas, Hannah and Margaret children of Thomas.

He lists numerous properties, including:
- Lands and messuage in Redditch within Lymm, in possession of my nephew Richard Warburton as tenant and farmer
- Four cottages known as Radley Hill, Cross's, Williamson's, Percival's and several lands allotted as my share of the commons of Lymm now in occupation of my brother Thomas Warburton, Joseph Williamson, and my nephew Thomas Warburton of Flixton, Lancashire, only son of my brother John deceased.
- Leasehold in Heatley held under Peter Leigh of Lymm Esq, in possession of my said brother as a farmer.
- and my closes known as Brundrett Stones in possession of my brother Thomas which I hold for 3 lives granted by Sir Peter Warburton Bart.

Bequests include:
- £200 to John's daughters Sarah, Christiana, Elizabeth and Ellen.
- £100 to John, Peter, Thomas, Hannah, Margaret, children of brother Thomas Warburton.
- Heatlly and Brundrett Stones to [Thomas] subject to 100 pounds for the use of his children.
- small sums to various cousins
- The rest and residue to my sister Martha Crundell and her children, my nephew Thomas Bruch of High Leigh and his children, and the children of my late nephew Richard Harrison of Manchester, hatter decd, and my niece Sarah Howard of Halton, Widow and her children at 21.

There is no mention of a wife or children so it seems he never married.

vi. **George Warburton**. George was born in Lymm, Cheshire, in 1699. He was christened in Lymm, St Mary, Cheshire, on 26 Mar 1699.

vii. **Christian Warburton**. Christian was born in Lymm, Cheshire, on 14 Sep 1701. She was christened in Lymm, St Mary, Cheshire, on 2 Oct 1701.

Christian was baptised the daughter of Richard of Lymm. Her date of birth is given as the 14th October, but the month is taken from the entry above. The correct month was probably omitted and is assumed to be September.

Her most likely marriage is that at Lymm to William Shaw, Three children of William

Shaw were subsequently baptised at Lymm, including a Christian.

On 6 Jan 1722 when Christian was 20, she married **William Shaw** in Lymm, St Mary, Cheshire.

viii. **Peter Warburton**. Peter was born in Lymm, Cheshire, in 1705. He was christened in Lymm, St Mary, Cheshire, on 21 Jun 1705.

14 ix. **Thomas Warburton** (~1711-1786)

x. **Joseph Warburton**. Joseph was born in Lymm, Cheshire, in 1713. He was christened in Lymm, St Mary, Cheshire, on 29 May 1713.

There is a possible marriage to Elisabeth Chantler at Warburton on January 30th 1740 but there are no related baptisms of children following.

xi. **Martha Warburton**. Martha was born in Lymm, Cheshire, in 1716. She was christened in Lymm, St Mary, Cheshire, on 27 Dec 1716.

Bef 1781 when Martha was 65, she married **Crundell**.

10. George Warburton (*Peter*[5], *John*[4], *George*[3], *John*[2], [1]). George was born in Lymm, Cheshire, in 1670. He was christened in Lymm, St Mary, Cheshire, on 4 Nov 1670. George died in Bowdon, Cheshire, in 1728. He was buried in Bowdon, St Mary, Cheshire, on 22 Dec 1728.

George is the son of Peter Warburton of Lymm on his baptism record. He was not yet 21 at the time his father's will was written on April 7th 1682.

James and Mary were baptised the children of George but it is only assumed it is this George.

Ancestry public trees assign the burial of George of Bowdon to this George, but the evidence is unclear.

Children:

i. **Mary Warburton**. Mary was born in 1694. She was christened in Lymm, St Mary, Cheshire, on 25 Feb 1694.

15 ii. **James Warburton** (1695-)

Seventh Generation

11. George Warburton (*George*[6], *George*[5], *John*[4], *George*[3], *John*[2], [1]). George was born on 14 Nov 1718. He was christened in Bowdon, St Mary, Cheshire, on 27 Nov 1718. George died in Heatley Heath, Lymm, Cheshire, in 1761. He was buried in Lymm, St Mary, Cheshire, on 2 Jul 1761.

George's baptism is a possible match as the baptism record names his father as George of Partington, and it fits his reported birth date (believed to come from the Family Bible).

George lived near Warburton Mill and had 2 sons and 2 daughters, George, Thomas, Mary and Margaret. who were mentioned in his will. Also mentioned were brother Peter of Carryshut (Cadishead?), and witnesses Thomas Chandler, John Ridgeway, and wife Mary. Mary must be his second wife as the mother of his children was Sarah. However no record has been found of the marriage to Mary, or Sarah's death, and there is less than 3 years between the birth of Sarah's last child, and George's own death.

Peter, Thomas, and Mary were executors.

On 18 Nov 1746 when George was 28, he first married **Sarah Okell** in Manchester Cathedral, Lancashire. This is the best fit marriage, though it took place only 2 weeks before Thomas was born.

No record of Sarah's death or burial has yet been found.

They had the following children:

i. **Thomas Warburton**. Thomas was born in Lymm, Cheshire, on 1 Dec 1746. He was christened in Lymm, St Mary, Cheshire, on 19 Dec 1746. Thomas died in Heatley Heath, Lymm, Cheshire, on 26 Jan 1826. He was buried in Lymm, St Mary, Cheshire, on 29 Jan 1826.

Thomas's baptism record names his father George. He had no children. His will mentions several nephews, including Brazendales and Highams. .

He was buried in grave OAL3 with his wife Catherine, aged 79.

George's parents are George and Sarah on his baptism record. His most likely marriage was to Ann Baguley at Lymm on April 30 1778 but he hasn't been explored

further. The Richmond family tree names his children as Margaret, Sarah, and Martha.

vi. **John Warburton**. John was born in Lymm, Cheshire, on 1 Nov 1758. He was christened in Lymm, St Mary, Cheshire, on 12 Nov 1758. John died in Lymm, Cheshire, in 1758. He was buried in Lymm, St Mary, Cheshire, on 23 Nov 1758.

Mary is only known from George's will. The record of her marriage has not yet been found.

12. Peter Warburton (*George*[6], *George*[5], *John*[4], *George*[3], *John*[2], [1]). Peter was born on 14 Apr 1725. Peter died on 24 Jun 1794. He was buried in Hollinfare, St Helen, Lancashire, on 27 Jun 1794.

From the Family Diary: 'Father Peter Warburton died, aged 66 years.... My father & mother P & M Warburton was laid in Hollinsgreen Chapel Yard, north east side.' According to FamilySearch they were in fact buried at Hollinfare a chapelry in Warrington parish which includes Hollins Green.The church of St Helen, Hollinfare was founded before 1500.

On 5 Nov 1767 when Peter was 42, he married **Mary Molyneux** in Eccles, St Mary, Lancashire. Peter and Mary were both 'of this parish'. Mary was born in Manchester, Lancashire, in 1735. She was christened in Manchester Cathedral, Lancashire, on 12 Oct 1735. Mary died in 1809. She was buried in Hollinfare, St Helen, Lancashire, on 14 Nov 1809.

Mary was the daughter of Edward and Martha Molyneux. The Family Bible gives her age as 74 when she died.

They had the following children:

16 i. **John Warburton** (1770-1836)

ii. **Thomas Warburton**. Thomas was born in Rixton-with-Glazebrook, Lancashire, in 1772. He was christened in Hollinfare, St Helen, Lancashire, on 24 May 1772. Thomas died in 1829.

The Settlers Site gives Thomas's place of birth as Rexton, Warrington Parish. This is modern day Rixton-with-Glazebrook which is adjacent to Hollinsfare (and Holins Green) where all the children were baptised. It is assumed his siblings were born in the same place.

Thomas lived in Lymm, Cheshire and had no issue.

iii. **Mary Warburton**. Mary was born in Rixton-with-Glazebrook, Lancashire, in 1775. She was christened in Hollinfare, St Helen, Lancashire, on 13 Feb 1775.

17 iv. **Peter Warburton** (1778-1838)

13. John Warburton (*Richard*^{6}*, Peter*^{5}*, John*^{4}*, George*^{3}*, John*^{2}*,* ^{1}). John was born abt 1700. John died in Flixton, Lancashire, in 1775. He was buried in Flixton, St Michael, Lancashire, on 27 Oct 1775.

John's baptism hasn't been found but he is known from brother Richard of Heatley's Will of 1781 which states: "my nephew Thomas Warburton of Flixton, Lancashire, only son of my brother John deceased". and "200 pounds to John's daughters Sarah, Christiana, Elizabeth and Ellen. His date of birth is therefore unknown.

Flixton records don't give mother's name at the time, so not all the children of John, baptised at Flixton between 1736 and 1752 are definitely part of this family. Only the five mentioned in the above will are certain. The first George was born, and died, before John's marriage. The second George and one of the Sarah's may belong to a different family.

Richard has been identified as the husband of Lucy Owen who died in 1818, but he should not be alive in 1781 according to his uncle Richard's will. Therefore it has been assumed that Richard died before 1781 and Lucy's husband was from a different family.

On 21 Sep 1737 when John was 37, he married **Ellen Royle** in Flixton, St Michael, Lancashire. Ellen died in Flixton, Lancashire, in 1769. She was buried in Flixton, St Michael, Lancashire, on 1 Nov 1769.

Ellen was the wife of John Warburton on her burial record.

They had the following children:

i. **George Warburton**. George was born in Flixton, Lancashire, in 1736. He was christened in Flixton, St Michael, Lancashire, on 17 Nov 1736. George died in Flixton, Lancashire, in 1736. He was buried in Flixton, St Michael, Lancashire, on 11 Dec 1736.

ii. **Sarah Warburton**. Sarah was born in Flixton, Lancashire, on 6 Feb 1738. She was christened in Flixton, St Michael, Lancashire, on 16 Feb 1738. Sarah died bef 1739.

A second Sarah was baptised the following year so this one must have died though her burial record has not been found.

iii. **Sarah Warburton**. Sarah was born in Flixton, Lancashire, on 8 Nov 1739. She was christened in Flixton, St Michael, Lancashire, on 28 Nov 1739. Sarah died aft 1781.

A possible marriage for Sarah is to John Shawcross in 1763.

iv. **Christian(a) Warburton**. Christian(a) was born in Flixton, Lancashire, abt 1740. Christian(a) died aft 1781.

Christiana's baptism has not been found, but she is known from her uncle Richard's will where she is named with her 3 sisters.

On 4 Oct 1781 when Christian(a) was 41, she married **Thomas Cooke** in Eccles, St Mary, Lancashire. The marriage license Bond and Allegiance declared Thomas a widower age 45 or upwards, and Christian to be a spinster aged 40 years or upwards.

v. **Thomas Warburton**. Thomas was born in Flixton, Lancashire, on 27 Sep 1741. He was christened in Flixton, St Michael, Lancashire, on 30 Sep 1741. Thomas died aft 1781.

Elizabeth was baptised as Betty daughter of Jno. Warburton.

viii. **George Warburton**. George was born in Flixton, Lancashire, in 1747. He was christened in Flixton, St Michael, Lancashire, on 7 Nov 1747. George died bef 1781.

George is presumed to have died before 1781 as in his uncle Richard's will his brother Thomas is mentioned as the only son of John still living.

ix. **Ellen Warburton**. Ellen was born in Flixton, Lancashire, on 12 Aug 1752. She was

christened in Flixton, St Michael, Lancashire, on 2 Sep 1752. She was buried aft 1781.

Ellen was the daughter of John and Ellen Warburton on the Bishops Transcripts, but both she and her mother are Helen on the parish record.

14. Thomas Warburton (*Richard*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). Thomas was born in Lymm, Cheshire, abt 1711. He was christened in Lymm, St Mary, Cheshire, on 18 Jan 1711. Thomas died in Wet Gate, Lymm, Cheshire, on 28 Jul 1786. He was buried in Lymm, St Mary, Cheshire, on 30 Jul 1786.

Thomas was the son of Richard of Hatley (sic) on his burial record.

The will of Thomas of Wetgate, Lymm, brother of Richard of Wet Gate was dated May 11th and proved Aug 17 1786 by Richard Warburton and Edmund Taylor the Executors.

The will mentions:

“My messuage and leasehold lands in Heatly within Lymm known as Wet Gate, devised to me by my late brother Richard Warburton, and is now held by lease for lives under Peter Leigh of Lime Esq. unto my son Richard and his heirs.

My daughter Mary, wife of John Hollinworth of Carrington, yeoman.
My daughter Hannah, wife of Edmund Taylor.

My closes near Heatley Heath known as Brundreth Stones, unto Richard Warburton and his heirs

My messuage in Little Heatley in Lymm held by lease for lives under Peter Leigh of Lime Esq, together with Moiety of four fields of inheritance in Lymm, purchased by my late son John Warburton decd., and given by him to me, together with my pew in the parish church of Lymm unto my sons Thomas Warburton and Peter Warburton.”

Thomas and his children John, Peter, Thomas, Hannah, and Margaret are mentioned in his brother Richard’s will. Richard died in 1781.

The baptisms of daughters Alice and Elizabeth have not been found and they are only known because their children are listed as lawful nephews and nieces of brother Thomas when he died in 1817. Their marriages in 1750 and 1749 are too early for daughters of Thomas and Hannah. As Hannah was 6 years older than Thomas this raises the possibility they were her children from an earlier marriage, or even illegitimate.

The baptism of daughter Margaret has also not been found but she is mentioned in her uncle Richard’s will, after her sister Hannah, suggesting she was younger. She is not in mentioned her father’s will 5 years later, suggesting she probably died in the meantime.

Thomas of Wet Gate is buried with his wife in grave OZ23 aged 75.

On 9 Jan 1735 when Thomas was 24, he married **Hannah Warburton** in Manchester Cathedral, Lancashire. Thomas Warbutton of Flixton and Hannah Warbutton were married by Banns. Hannah was born abt 1705. Hannah died in Wet Gate, Lymm, Cheshire, on 10 Feb 1772. She was buried in Lymm, St Mary, Cheshire, on 15 Feb 1772.

Hannah is buried in grave OZ23, the wife of Thomas, aged 67. Based on their ages at death, Hannah was about 6 years older than Thomas, raising the possibility she was previously married, and Warburton is not her maiden name.

They had the following children:

i. **Alice Warburton**. Alice was born abt 1730.

Alices's baptism has not been found. Her children are mentioned as lawful nephews and neices of her brother Thomas Warburton, Bachelor, who died in 1817. The children mentioned are Joshua Coupe, Alice Starkey nee Coupe, Ann Coupe, Hannah Shawcross/Shalcross nee Coupe, Ellen Gorse nee Coupe, and Maria Coupe.

Alice’s marriage date suggests she was too old to be a child of Hannah and Thomas, and is probably Hannah’s daughter, either illegitimate, or from an earlier marriage.

On 25 Apr 1751 when Alice was 21, she married **Joshua Coupe** in Manchester Cathedral, Lancashire.

ii. **Elizabeth Warburton**. Elizabeth was born abt 1730. Elizabeth died bef 1781.

Elizabeth baptism hasn’t been found. She is not mentioned in her father’s, or uncle Richard’s wills.

Betty's children are mentioned as lawful neices and nephews of her brother Thomas Warburton when he died in 1817. They are Peter, Thomas, Betty Shaw (nee Gerrard), Hannah, Alice Hayes (nee Gerrard), Christian Irlam (nee Gerrard), and Ann.

Elizabeth’s marriage date suggests she was too old to be a child of Hannah and Thomas, and is probably Hannah’s daughter, either illegitimate, or from an earlier marriage.

On 10 Aug 1749 when Elizabeth was 19, she married **William Gerrard**.

18 iii. **Richard Warburton** (1735-1816)

iv. **Hannah Warburton**. Hannah was born in Flixton, Lancashire, on 16 Feb 1737. She was christened in Flixton, St Michael, Lancashire, on 6 Mar 1737. Hannah died aft 1781.

Hannah is mentioned in her uncle Richard's will. He died in 1781.

On 28 Nov 1758 when Hannah was 21, she married **Edmund Taylor** in Lymm, Cheshire. Edmund died bef Jul 1817.

v. **Margaret Warburton**. Margaret was born aft 1737. Margaret died aft 1781.

Margaret 's baptism hasn't been found. She is mentioned in he uncle Richard's will of 1781, but not her father's will of 1786. In Richard's will hr name follows that of her sister Hannah so she is presumed to be younger.

vi. **John Warburton**. John was born in Flixton, Lancashire, on 10 Mar 1739. He was christened in Flixton, St Michael, Lancashire, on 25 Mar 1739. John died in Flixton, Lancashire, on 21 Sep 1740.

Info from parish register

vii. **Mary Warburton**. Mary was born in Flixton, Lancashire, on 30 Oct 1740. She was christened in Flixton, St Michael, Lancashire, on 20 Nov 1740.

Mary is mentioned in her father Thomas's will of 1786, and in her brother Richard's will of 1816, when she was a widow.

On 9 Aug 1775 when Mary was 34, she married **John Hollinworth** in Bowdon, Cheshire. John was born in Carrington, Cheshire, in 1738. John died in Carrington, Cheshire, on 29 Mar 1804. He was buried in Carrington, St George, Cheshire.

John was buried in grave A19 aged 66. Other occupants of the grave include his first wife Mary who died on Feb 6 1774 age 33, and three of their children.

viii. **John Warburton**. John was born in Flixton, Lancashire, in 1741. He was christened in Flixton, St Michael, Lancashire, on 10 Dec 1741. John died in Lymm, Cheshire, in 1784. He was buried in Lymm, St Mary, Cheshire, on 17 Aug 1784.

John is mentioned in his father's will as being deceased by 1786. No children or wives are mentioned. Quote: "together with Moiety of four fields of inheritance in Lymm purchased by my late son John Warburton decd, and given by him to me, together with my pew in the parish church of Lymm, unto my sons Thomas Warburton and Peter Warburton. " Maybe he never had children if he was giving to his father and brothers.

He is probably the John who was buried in grave OAA23. No details are given, but he is buried next to various Warburton's of Wet Gate and Heatley.

ix. **Thomas Warburton**. Thomas was born in Flixton, Lancashire, on 9 Jan 1744. He was christened in Flixton, St Michael, Lancashire, on 3 Feb 1744. Thomas died in Lymm,

Cheshire, on 15 Dec 1817. He was buried in Lymm, St Mary, Cheshire, on 18 Dec 1817.

Thomas, a bachelor of Lymm and Warburton, died on 15th December 1817, at his brother's farm, where he had come to reside for the few remaining years of his life. His will was proved on 4th January 1818, by James Taylor and Peter Warburton, his nephew, as executors. Peter's brother Richard, next of kin, was appointed by the court as administrator.

An Allegation by James Taylor, executor was Exhibited on 2nd July 1818, as follows.

Lawful sister and next of kin Mary Hollinworth appoints proctor William Ward, signing a proxy of renunciation of administrative of Thomas's Will. Witness Jesse Hollinworth and Mr. ? Leicester. The principles are Richard Warburton of Lymm yeoman and John Taylor of Carrington in Parish of Bowden, and Peter Warburton of Lymm yeoman. Thomas's burial record says he was of Little Heatley, aged 75. He was buried in grave OAA25 with his nephew Peter of Rush Green. who died in 1828, aged 46.

x. **Peter Warburton**. Peter was born in Flixton, Lancashire, on 1 Apr 1746. He was christened in Flixton, St Michael, Lancashire, on 1 May 1746. Peter died in Lymm, Cheshire, on 11 Jul 1817. He was buried in Lymm, St Mary, Cheshire, on 14 Jul 1817.

Peter's will identifies his father Thomas, his wife Sarah, his sister Mary Hollinworth, his brother Thomas, his deceased brother Richard Warburton (d.1816), his niece Martha Dyers and children, his sister Hannah Taylor (late wife of Edmund Taylor of Carrington deceased) and children, and his nephews Richard, Peter, and James (sons of Richard).

They owned land in Heatlye, Lymm, and leased Bradley Hill, Rush Green from Richard. Peter Percival Warburton (Peter's great nephew) lived there later on.

Peter named as his brother Thomas's executor in his will. Thomas was a bachelor.

Peter's burial record says he was of Little Heatley, aged 72. He was buried in grave OAA24 with his wife Sarah, though his age on the headstone is given as 70.

On 4 Apr 1785 when Peter was 39, he married **Sarah Leigh** in Lymm, St Mary, Cheshire. Sarah was born abt 1755. Sarah died in Lymm, Cheshire, on 27 Jan 1828. She was buried in Lymm, St Mary, Cheshire, on 30 Jan 1828.

OAA24 with her husband Peter.

15. James Warburton (*George*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). James was born in Lymm, Cheshire, in 1695. He was christened in Lymm, St Mary, Cheshire, on 3 Mar 1695.

James was the son of George on his baptism record.

The marriage to Martha Wyke is a best fit, and assumes daughter Sarah's baptism from Ancestry Public Trees is incorrect.

On 6 Aug 1734 when James was 39, he married **Martha Wyke** in Lymm, St Mary, Cheshire.

They had the following children:

i. **Sarah Warburton**. Sarah was born in Lymm, Cheshire, in 1733. She was christened in Lymm, St Mary, Cheshire, on 2 May 1733.

My list of Lymm baptisms does not include Sarah, and in fact it has a gap from 1716 to 1735 implying the records are missing. Sarah's baptism cannot be found in on-line searches on Ancestry, FindMyPast, or FamilySearch. The date comes from Ancestry Public Trees, but they lack a source.

If Sarah is correct it makes the marriage to Martha Wake unlikely.

19 ii. **John Warburton** (1735-1810)

iii. **Mary Warburton**. Mary was born in Lymm, Cheshire, in 1737.

Eighth Generation

16. John Warburton (*Peter*[7], *George*[6], *George*[5], *John*[4], *George*[3], *John*[2], [1]). John was born in Rixton-with-Glazebrook, Lancashire, in 1770. He was christened in Hollinfare, St Helen, Lancashire, on 13 Apr 1770. John died in Elkland, Sullivan Co., Pennsylvania, on 7 Sep 1836.

The first successful organised effort to permanently establish means for the education of the youth, was made at Forksville. The school was opened on December 1st, 1816, John Warburton being the first teacher employed.

On 10 Apr 1803 when John was 33, he married **Mary Sadler** in Liverpool, St Peter, Lancashire. John and Mary were both living in Liverpool at the time of their marriage. Mary's father Samuel is described as from near Winsford. Mary was born in Davenham, Cheshire, on 28 Mar 1783. She was christened in Davenham, St Wilfred, Cheshire, on 20 Apr 1783. Mary died in Plymouth, Sheboygan Co., Wisconsin, on 20 Sep 1865.

From the Family Diary:

1811 - Saturday April 6th my wife Mary Warburton went to Wales by Chester Packata (sic) conveyance to the Veal of Cluid (Vale of Clwyd) to see our little boy Tesse (Jesse) that is in school at Rithen, and returned 8 days after.

After the death of John in 1836, Mary moved out to the State of Ohio with five of the youngest children, landing in Medina County the beginning of December 1836, "being 13 days (on the

road?)". She started for Wisconsin on the 24th of July, 1848 and landed at Sheboygan on the 29th about one o'clock P.M. (One account says 27th).

She was taken sick Sept 11th 1865 and died on the 20th of said month. Taken sick 2 days after moving in with George which she hoped to enjoy a few months of comfort with his old mother after he returned from the war but only spent 2 days of enjoyment before Mother was taken ill.

They had the following children:

On 9 Jun 1834 when Mary Ann was 24, she married **James Hile** in Sullivan Co., Pennsylvania.

James was from Montoursville.

25 xii. **Jabez Warburton** (~1830-~1888)

xiii. **Belle Warburton**.

17. Peter Warburton (*Peter*[7], *George*[6], *George*[5], *John*[4], *George*[3], *John*[2], [1]). Peter was born in Rixton-with-Glazebrook, Lancashire, in 1778. He was christened in Hollinfare, St Helen, Lancashire, on 17 Apr 1778. Peter died in 1838. He was buried in Hollinfare, St Helen, Lancashire, on 29 Dec 1838.

On 21 May 1809 when Peter was 31, he married **Martha Hatch** in Manchester Cathedral, Lancashire. Martha is named Hatton on the Settlers site and Hiles on the Richmond family tree. Both are presumed readings of a faint entry in the Family Diary, and Martha Hatch is the closest fit in the parish registers. Martha was born abt 1786. Martha died in Rixton-with-Glazebrook, Lancashire, on 1 Feb 1812. She was buried in Hollinfare, St Helen, Lancashire, on 3 Feb 1812.

According to the Family Diary Martha was 26 when she died.

They had the following children:

i. **John Warburton**. John was born in Rixton-with-Glazebrook, Lancashire, in 1810. He was christened in Hollinfare, St Helen, Lancashire, on 8 Apr 1810. John died in Rixton-with-Glazebrook, Lancashire, in 1810. He was buried in Hollinfare, St Helen, Lancashire, on 18 Apr 1810.

ii. **Margaret Warburton**. Margaret was born in Rixton-with-Glazebrook, Lancashire, on 21 Jan 1812. She was christened in Hollinfare, St Helen, Lancashire, on 3 Feb 1812. Margaret died in Rixton-with-Glazebrook, Lancashire, in 1812. She was buried in Hollinfare, St Helen, Lancashire, on 16 Feb 1812.

18. Richard Warburton (*Thomas*[7], *Richard*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). Richard was born in Flixton, Lancashire, on 20 Sep 1735. He was christened in Flixton, St Michael, Lancashire, on 4 Oct 1735. Richard died on 27 Jun 1816. He was buried in Lymm, St Mary, Cheshire.

The Will of Richard Warburton of Wet Gate, Lymm mentions his late father Thomas Warburton, and gives:

- lands of Wet Gate to son Richard Warburton (lands held by life lease from Peter Leigh of Lyme).
- Radley Hill in Lymm (held by lease for life from Peter Warburton, Baronet) to sister Mary Hollinworth, widow.
- Mossfields" in Partington to daughter Hannah Plant.
- land in Oldfield within Dunham Massey and Altrincham (held by lease for life from Earl of Stamford and Warrington) to son James Warburton.
- lands of "Pooles Intake, Brundrett Stones ,Two Intakes" to daughter Mary Warburton
- land called Stone Stile within "Rush Green," land recently purchased from RIchard Domville, to son Peter Warburton .

He also made bequests to the children of daughter Martha Dyer (deceased), and mentions his sister Mary Hollingworth, a widow.

Richard of Wet Gate is buried in grave OZ24 with his wife Mary, aged 82.

In 1760 when Richard was 24, he married **Mary Taylor** in Bowdon, Cheshire. Mary was born in 1739. Mary died on 16 Jul 1810. She was buried in Lymm, St Mary, Cheshire.

Mary is buried with her husband Richard of Wet Gate in grave OZ24, aged 70.

They had the following children:

i. **Hannah Warburton**. Hannah was born in Heatley Heath, Lymm, Cheshire, in 1760. She was christened in Bowdon, St Mary, Cheshire, on 12 Oct 1760. Hannah died in Lymm, Cheshire, in 1844. She was buried in Lymm, St Mary, Cheshire, on 15 Mar 1844.

Hannah is the daughter of Richard and Mary of Heatley Heath on her baptism record.

In the 1841 census Hannah is staying with her nephew Richard (son of her brother Richard).

In various will's Hannah is referred to by her married name. She was given Mossfields in Partington by her father Richard of Wet Gate.

Hannah's death was registered in 1q 1844 Altrincham 19 14, aged 84.

On 21 May 1801 when Hannah was 41, she first married **Joseph Plant** in Great Budworth, St Mary, Cheshire. The intended marriage of Hannah, aged 40, and Joseph, aged 40 was recorded on May 20th 1801.

On 28 Dec 1783 when Hannah was 23, she second married **Thomas Owen** in Prestwich, St Mary, Lancashire. Three sons (including John Warburton owen) and 3 daughters were baptised at Flixton between 1784 and 1798.

George's parents lived in Carrington according to his baptism record, though this isn't consistent with Heatley Heath on Hannah's baptism record. He was the son of Richard and Mary on his burial record.

iii. **Martha Warburton**. Martha was born in Lymm, Cheshire, on 17 Feb 1765. She was christened in Lymm, St Mary, Cheshire, on 24 Mar 1765. Martha died in Lymm, Cheshire, in 1810. She was buried in Lymm, St Mary, Cheshire, on 10 Aug 1810.

Martha was deceased when her father's will was written, so she is probably the Martha Dyer buried at Lymm in 1810.

On 11 Nov 1790 when Martha was 25, she married **Hugh Dyer** in Lymm, St Mary, Cheshire.

26 iv. **Richard Warburton** (1767-1831)

christened in Lymm, St Mary, Cheshire, on 19 Apr 1772. Mary died on 14 Feb 1853.

Mary's will mentioned James Warburton, her lawful nephew and his next of kin, and Mary Holt, late of Acton, a widow without child,

She named her Executors as James Warburton of Timperley near Altrincham, William Kerfoot of Winwick near Warrington, and Joseph Davies of Warrington, bookkeeper.

The witness was Hugh Dyer of Acton.

On 20 Jan 1803 when Mary was 30, she married **Hugh Holt** in Lymm, Cheshire. Witnesses were William Holt, Peter Warburton, Hugh Holt, and Mary Mills. Hugh was born abt 1771.

This is possibly Hugh Holt who was a witness to the will of Peter Warburton who died on July 17 1817. It is likely to be the Hugh Holt mentioned in the will of John Holt of Lymm who died on Jan 26 1815. This mentions wife Mary, sons Hugh and William, and brother Robert of Heatley.

vii. **Esther Warburton**. Esther was born in Lymm, Cheshire, on 23 Nov 1774. She was christened in Lymm, St Mary, Cheshire, on 1 Jan 1775.

John's will was written on July 6th 1788 as follows: John Warburton of Heatley Heath, Lymm, joiner bequeaths his land in Heatley Heath unto his wife Hannah Warburton until she dies, then the land is split between his two sons William and James Warburton, and their heirs. He nominated his wife Hannah, and son James as executors.

On July 26 1810 James Warburton was sworn in common form. It was stated that the testator died on March 25th 1810. This must be an error as he was buried on March 2nd (maybe it should be April 25th).

On 28 Sep 1762 when John was 27, he married **Hannah Leigh** in Lymm, St Mary, Cheshire. Hannah was born abt 1729. Hannah died in Lymm, Cheshire, in 1818. She was buried in Lymm, St Mary, Cheshire, on 17 Jun 1818.

Hannah is probably the Hannah Warburton of Lymm Booths who was buried at Lymm on June 17th 1818 aged 89.

They had the following children:

i. **William Warburton**. William was born in Lymm, Cheshire, on 19 Mar 1763. He was christened in Lymm, St Mary, Cheshire, on 10 Apr 1763. William died in Lymm, Cheshire, on 15 Sep 1813. He was buried in Lymm, St Mary, Cheshire, on 18 Sep 1813.

William is buried in grave OAM11, aged 50, the son of James and Hannah, with his wife Elizabeth. His burial record shows him from Chorley Bridge, Lymm.

William's will was written on Aug 30 1813: William Warburton of Oughtrington Gate, Lymm left to nephew John Warburton his Bible and a book, The Pilgrim's Progress, and to nephew James Warburton he left a clothes box and geography books. Both were to split his clothing. William's freehold lands in Heatley Heath were to be sold by auction.

Well, I am getting so I dread to sit down to writing letters and put it off and off, & off until I am almost ashamed to write at all. I am still secretary in two societies and have to make long reports to send in. Grace & Albert (her husband) visited me in September, Albert is a government lawyer. George & wife (George Bosworth) visited me in October. Both wanted Father's old Bible, It must be about 500 years old & it is in bad condition, about 1/3 is gone. The leaves are so brittle it can't be handled. It was buried in the earth when the Bibles were being burned in England, and has been in the Warburton Family for hundreds of years, and my father's great-grandfather, also my father's grandfather, & my grandfather of my father said it must stay in the Warburton Family.

Well, Lill has tried many ways to get it. Well, I told them it was to be kept in the Warburton Family & I intended to send it to you. There is another book which gives some of the history of the Warburton Family, written by grandfather (the fine writing) and my own father. Grandfather's name was John, his father's name was Peter, and my father's name George.

I will send these books to you. I believe father prized these books above everything he had & they are only keepsakes. When Harry visited here, I spoke to him about taking the old Bible. He said he thought he had better not take it, and for me to keep it. Pa kinda felt that good luck stayed with the old Bible, and hope it proves so to you. I think

God has been very good to me, and caring for me. Of course I am living on a pension, but I still own my own home, but it is getting run down. People are good to me. Tell Dora I got a small ball of rug yarn, but it is not enough, but I am hoping to finish her long delayed rug if I can find another skein of yarn. How are Dora & Edna? The trees have lost most of their leaves. We had a continued dry spell, but now we have had a nice rain & frosts.

Hope to send the books about the first. Write soon to your loving Aunt Belle."

67 viii. **Robert Warburton** (1841-1910)

44. Richard Warburton (*Richard[9], Richard[8], Thomas[7], Richard[6], Peter[5], John[4], George[3], John[2], [1]*). Richard was born in Lymm, Cheshire, on 4 Jan 1804. He was christened in Lymm, St Mary, Cheshire, on 29 Jan 1804. ■ Census for Lymm, Cheshire, in 1841. Richard (35) is a farmer living in Bysford Lane with Hannah Plant (70) his paternal Aunt, and Ann Blackshaw (60). ■ Census for Hulme, Manchester, Lancashire, in 1851. Richard (47) is a land proprietor living at 5 Blackwalls Building with Elizabeth (34), Joseph Ashton (8), and Mary (2). Mary Knight (27) from Warrington is a visitor. ■ Census for Hulme, Manchester, Lancashire, in 1861. Richard (56) is a widowed, retired farmer living at 1 Gardner Street with, Joseph (18) a fustian cutter, Mary (11) a servant, and Elizabeth (8). Richard died in Hulme, Manchester, Lancashire, in 1861.

Richard is missing from censuses after 1861, and there is no exact death registration, though a Richard aged 59 from Hulme (LancashireBMD) is registered in 2q 1861 Chorlton 8c 380.

On 14 May 1843 when Richard was 39, he married **Elizabeth Ashton** in Warrington, St Elphin, Lancashire. Richard (38) is a labourer from Warrington, father Richard, a turner. Elizabeth (25) is a servant from Warrington father Joshua, a labourer. Elizabeth was born in Farnett, Lancashire, abt 1818. Elizabeth died in Hulme, Manchester, Lancashire, in 1859.

Elizabeth's death is probably that registered in 1q 1859 Chorlton 8c 443, aged 41, subdistrict Hulme (LancashireBMD).

They had the following children:

i. **Joseph Ashton Warburton**. Joseph Ashton was born in Lymm, Cheshire, abt 1842.

Joseph's birth registration has not been found as Warburton or Ashton. His age in censuses indicates he was born in 1842/3, before his parents wedding.

When he married Jane Baily on February 17th 1862 at Thelwall, All Saints he did so as Joseph Ashton, though he named Richard Warburton, farmer as his father. Both Joseph and Jane were aged 19. Joseph, Jane and their children appeared in subsequent censuses under the name Ashton.

This suggests Richard was not his biological father.

ii. **Mary Warburton**. Mary was born in Hulme, Manchester, Lancashire, in 1849.

Mary's birth was registered in 2q 1849 Chorlton 20 262, mother's maiden name Ashton.

iii. **Elizabeth Warburton**. Elizabeth was born in Hulme, Manchester, Lancashire, in 1852.

Elizabeth's birth was registered in 3q 1852 Chorlton 8c 478, mother's maiden name Ashton.

45. Hugh Warburton (*Richard*[9], *Richard*[8], *Thomas*[7], *Richard*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). Hugh was born in Lymm, Cheshire, on 10 Feb 1806. He was christened in Lymm, St Mary, Cheshire, on 16 Mar 1806. ■ Census for Manchester, Lancashire, in 1841. Hugh (35) is a grocer and tea dealer living in Swan Street with Richard (5). ■ Census for Manchester, Lancashire, in 1851. Hugh (45) is a grocer and tea dealer living at 10 Swan Street with Richard (15), Ann (45), Hugh Holt (11), nephew John (17) an apprentice, and 2 servants. The census is flood damaged. ■ Census for Manchester, Lancashire, in 1861. Hugh (55) is a grocer and tea dealer living at 10 Swan Street with Ann (55), Hugh Holt (21) a warehouseman, and 2 servants. ■ Census for Manchester, Lancashire, in 1871. Hugh (65) is a grocer living at 10 Swan Street with Hugh Holt (31) a commission agent, and a servant. He is described as married but his wife is not present. ■ Census for Brayton, Yorkshire, in 1881. Hugh (75) is a widowed, retired grocer living at 4 Westfield with niece Elizabeth (29) who is unmarried and born in Hulme. Hugh died in Brayton, Yorkshire, on 15 Feb 1883.

Hugh's death was registered in 1q 1883 Selby 9c 505, aged 76. Administration of the Personal Estate of Hugh Warburton of Westfield in the parish of Brayton, Yorkshire, Gentleman and widower, was granted to Hugh Holt Warburton of 5 Short Street, Manchester, commission agent, son, and one of the next of kin. The estate was valued at £1.044 18s 9d.

On 25 Oct 1831 when Hugh was 25, he married **Anne Sharpe** in Manchester, St John, Lancashire. A marriage License application dated October 21st 1831 describes Hugh as a grocer from Manchester, and both Hugh and Ann aged 21 or upwards. Anne was born in Lymm, Cheshire, abt 1805. Anne died in Manchester, Lancashire, in 1869.

Anne's death registration is possibly that for Ann in 3q 1869 Manchester 8d 155, aged 64. Despite the spelling of her name, and the fact Hugh claims to be married in the 1871 census, it is the only close fit, and she is absent from home the 1871 census.

They had the following children:

i. **Richard Warburton**. Richard was born in Manchester, Lancashire, abt 1836.

Richard is only known from the 1841 census. He has not been found in other censuses, and there is no obvious death registration.

68 ii. **Hugh Hoult Warburton** (1839-1899)

46. Thomas Warburton (*Richard*[9], *Richard*[8], *Thomas*[7], *Richard*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). Thomas was born in Lymm, Cheshire, on 7 Feb 1807. He was christened in Lymm, St Mary, Cheshire, on 8 Mar 1807. ■ Census for Winwick, Lancashire, in 1841. Thomas (40) is a farmer living in Hulme with Ann (30), John (6), Mary (5), Thomas (4), Martha (2), and Sarah (5 months). ■ Census for Winwick, Lancashire, in 1851. Thomas (54) is a farmer of 34 acres employing 3 men and 2 women living in Hulme with Ann (42), John (26), Mary Ann (25), Thomas (23), Martha (22), Sarah (20), and Eliza (17) all farmer's sons and daughters, plus a servant. ■ Census for Winwick, Lancashire, in 1871. Thomas died in Winwick, Lancashire, on 4 Feb 1872. He was buried in Winwick, St Oswald, Lancashire.

None of births of the children born after 1837 were registered.

Thomas of Hulme was buried in grave 529, aged 65. The death was registered in 1q 1872 Warrington 8c 101, but his age is given as 68 (probable transcription error).

His will was proved by brother Robert Warburton of Lymm, Yeoman, and sons John Warburton of Newton-le-Willows, farmer, and Thomas Warburton of Winwick-with-Hulme, farmer. His effects were declared as under £1,500, but then corrected to under £2,000.

On 3 Apr 1834 when Thomas was 27, he married **Ann Owen** in Lymm, St Mary, Cheshire. Thomas and Ann were married by license with the consent of parents. Ann was born in Norton, Cheshire, abt 1808. Ann died in Winwick, Lancashire, on 1 Apr 1881. She was buried in Winwick, St Oswald, Lancashire.

Ann was buried in grave 529 as the wife of Thomas, aged 72. Her death was registered in 2q Warrington 8c 85. Her will was proved by son Thomas of Winwick and Hulme, farmer, John Taylor of 11 Parkfield Road, Bradford Yorks, Ironmonger, and Henry Weedall of Lower Whitley, Cheshire, farmer. Her personal estate was given as under £1,500 but corrected to under £200.

They had the following children:

69 i. **John Owen Warburton** (1834-1872)

Mary's father was a farmer from Hulme on her baptism record. She was buried in grave 529 with her parents. Her death was registered in 2q 1919 Warrington 8c 210, aged 83. Probate was granted to George Warburton pawnbroker, and George Philip Greenway, hospital clerk.

70 iii. **Thomas Warburton** (1837-1906)

iv. **Martha Warburton**. Martha was born in Winwick, Lancashire, on 24 Feb 1839. She was christened in Winwick, St Oswald, Lancashire, on 12 Apr 1839.

Martha's father was a farmer from Hulme on her baptism record.

In 1866 when Martha was 26, she married **Henry Weedall** in Winwick, St Oswald, Lancashire. The marriage was registered in 3q 1866 Warrington 8c 187. No children are evident from censuses. Henry was born in Whitely, Cheshire, abt 1825.

v. **Sarah Warburton**. Sarah was born in Winwick, Lancashire, on 9 Dec 1840. She was christened in Winwick, St Oswald, Lancashire, on 5 Mar 1841.

Sarah's father was a farmer from Hulme on her baptism record.

In 1868 when Sarah was 27, she married **Thomas Smith**. The marriage was registered in 1q 1868 Warrington 8c 211. A son and a daughter were registered at West Derby with mother's maiden name Warburton.

vi. **Eliza Warburton**. Eliza was born in Winwick, Lancashire, on 15 Apr 1843. She was christened in Winwick, St Oswald, Lancashire, on 23 Jun 1843.

Eliza's father was a farmer from Hulme on her baptism record.

In 1864 when Eliza was 20, she married **John Taylor** in Winwick, St Oswald, Lancashire. The marriage was registered in 2q 1864 Warrington 8c 169. John and Eliza had at least one son and one daughter but have not been found in censuses after 1871. John was born in Congleton, Cheshire, abt 1833.

47. George Warburton (*Richard*[9], *Richard*[8], *Thomas*[7], *Richard*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). George was born in Lymm, Cheshire, on 5 Jul 1809. He was christened in Lymm, St Mary, Cheshire, on 13 Aug 1809. ■ Census for Lymm, Cheshire, in 1841. George (30) is a farmer living in

Sandy Lane with Mary Ann (30), John Starkey (15) an apprentice to miller, and Nancy Harrison (15) a servant. ■ Census for Lymm, Cheshire, in 1851. George (61) is a farmer living in Whitbarrow Road with Mary A (62), Mary (28), Leigh (27), and two boarders. ■ Census for Lymm, Cheshire, in 1881. George (71) is a retired farmer living in Sandy Lane with Mary Ann (72), and Mary (38). ■ Census for Lymm, Cheshire, in 1891. George (81) is retired farmer living in Sandy Lane with unmarried daughter Mary (48). George died in Oughtrington, Cheshire, on 5 Apr 1892. He was buried in Lymm, St Mary, Cheshire, on 9 Apr 1892.

George's death was registered in 2q 1892 Altrincham 8a 137, aged 82. He was buried in grave OAA26, with his wife Mary Ann, and daughter Sarah.

The will of George Warburton of Lymm, yeoman, dated 1892 mentions his wife Mary Ann, sons George and Leigh, and daughter Mary. It also mentions a newly erected messuage/dwelling and outbuildings/offices called Villa Wheelcroft (or similar). A parcel of land called Collach in Lymm is granted to George. Land by Sandy Lane in Lymm and 3 cottages at Radley Hill, Lymm are granted to Leigh. Fields and closes at Ballgreaves and Hullark in Statham Eye are also mentioned. A codicil adds daughter Mary as Executrix after his wife Mary Ann's death. George also sold a portion of land to the Manchester Ship Canal Company, and mentions going recently blind by the time the codicil was written.

George's abode is Sandy Lane, Lymm on the later censuses, but Oughtrington on his (and Mary Ann's) burial record. Oughtrington is an area east of Lymm that includes Sandy Lane, and which became a separate parish in 1881. It is also adjacent to Rush Green.

On 28 Sep 1840 when George was 31, he married **Mary Ann Leigh** in Manchester, St John, Lancashire. George was a farmer, father Richard, a farmer. Mary Ann's father was John a corn dealer. Both were living in Manchester at the time of their marriage. Noah Leigh was a witness. The marriage was registered in 3q 1840 Manchester 20 546. Mary Ann was born in Warburton, Cheshire, in 1807. She was christened in Manchester Cathedral, Lancashire, on 17 Jun 1807. Mary Ann died in Oughtrington, Cheshire, on 14 Jun 1888. She was buried in Lymm, St Mary, Cheshire, on 16 Jun 1888.

The only Mary Ann Leigh baptism that that is close is at Manchester Cathedral, parents John and Elizabeth. This fits with her father on her marriage record, but is is a year too early, and in censuses she gives her place of birth as Warburton, Cheshire.

Her death was registered in 2q 1888 Altrincham 8a 126, aged 79. She was buried in grave OAA26 with her husband.

They had the following children:

i. **Sarah Ann Warburton**. Sarah Ann was born in Lymm, Cheshire, in 1841. She was christened in Lymm, St Mary, Cheshire, on 26 Sep 1841. Sarah Ann died in Lymm, Cheshire, in Feb 1858. She was buried in Lymm, St Mary, Cheshire, on 13 Feb 1858.

Sarah's birth was registered in 3q 1841 Altrincham 19 18, mother's maiden name Leigh. She was baptised the daughter of George and Mary Anne of Lymm, farmer.

Her death was registered in 1q 1858 Altrincham 8a 143, aged 16. She was buried in grave OAA26 where her parents were later buried. Her date of death from her gravestone is February 16th, but her burial record says she was buried on February 13th.

ii. **Mary Warburton**. Mary was born in Lymm, Cheshire, in 1842. She was christened in Lymm, St Mary, Cheshire, on 6 Nov 1842. Mary died in Lymm, Cheshire, on 14 Apr 1917. She was buried in Lymm, St Mary, Cheshire.

Mary's birth was registered in 3q 1842 Altrincham 19 31, mother's maiden name Leigh. She was baptised the daughter of George and Mary Anne of Lymm, farmer.

She appears in the 1911 census as a single woman, aged 68 and living off private means in a 5 room house in Sandy Lane. Her death was registered in 2q 1917 Bucklow 8a 238, aged 75. She was buried in grave OR18 as the daughter of the late George Warburton of Lymm.

71 iii. **Leigh Warburton** (1844-1927)

72 iv. **George Warburton** (1846-1927)

48. Richard Warburton (*James*[9], *Richard*[8], *Thomas*[7], *Richard*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). Richard was born in Dunham, Cheshire, on 27 Aug 1796. He was christened in Bowdon, St Mary, Cheshire, on 25 Sep 1796. ■ Census for Dunham Massey, Cheshire, in 1841. Richard (45) is an agricultural labourer living with Mary (50), Richard (11), Hugh (7), and James Jackson (30). Richard died in Dunham, Cheshire, in 1841. He was buried in Bowdon, St Mary, Cheshire, on 10 Jul 1841.

Richard's death was registered in 3q 1841 Altrincham 19 1, aged 43. He is Richard of Dunham, aged 43 on his burial record. His actual age should be 44.

On 4 May 1815 when Richard was 18, he married **Mary Rolinson** in Bowdon, St Mary, Cheshire. Mary was born in Bowdon, Cheshire, abt 1790. Mary (60) is a labourer's widow living in West George Street with Richard (21) a stonemason. ■ Census for Bowdon, Cheshire, in 1851.

Mary's name on her marriage record is transcribed as Mary Robinson by Derrick Murdie, the Bowdon Parish Church archivist. It looks to me like Rolinson, but Robinson seems more plausible.

They had the following children:

i. **Anne Warburton**. Anne was born in Dunham, Cheshire, in 1816. She was christened in Bowdon, St Mary, Cheshire, on 19 May 1816.

ii. **Hugh Warburton**. Hugh was born in Hale, Cheshire, in 1826. He was christened in Bowdon, St Mary, Cheshire, on 23 Jun 1826. Hugh died in Altrincham, Cheshire, in 1828. He was buried in Bowdon, St Mary, Cheshire, on 14 Mar 1828.

Hugh died aged 19 months.

73 iii. **Richard Warburton** (1829-1889)

iv. **Hugh Warburton**. Hugh was born on 6 Jul 1833. He was christened in Altrincham, St George, Cheshire, on 29 Apr 1838. Hugh died in Altrincham, Cheshire, in 1842.

Hugh's death was registered in 1q 1842 Altrincham 19 9, aged 8.

49. James Warburton (*James*[9], *Richard*[8], *Thomas*[7], *Richard*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). James was born in Dunham, Cheshire, on 26 Nov 1798. He was christened in Bowdon, St Mary, Cheshire, on 23 Dec 1798. ■ Census for Timperley, Cheshire, in 1841. James (40) is a farmer living at Deansgate with Sarah (35), Ellen (10), Peter (10), and Ellen (5). This last Ellen is presumably a niece. ■ Census for Timperley, Cheshire, in 1851. James (52) is a widowed farm labourer living at Deansgate with Ellen (23), Peter (21), daughter-in-law Mary (23), and granddaughter Sarah (1). ■ Census for Timperley, Cheshire, in 1861. James (62) is a market gardener living in Brook Lane with his son Peter and his family. ■ Census for Timperley, Cheshire, in 1871. James (72) is a market gardener living in Brook Lane with his son Peter and his family. James died in Southport, Lancashire, on 20 Jan 1881. He was buried in Bowdon, St Mary, Cheshire, on 25 Jan 1881.

James's death was registered in 1q 1881 Ormskirk 8b 564, aged 82. He was buried in grave 933, along with wife Sarah, two of his siblings Edward and Ellen, who died as infants, and two grandchildren, Ellen and Alfred, the children of his son Peter. His age on the grave is given as 83, but 82 in the burial record.

James Warburton is mentioned as the lawful nephew and next of kin in the will of Mary Holt, late of Acton widow, without child, parent, brother, sister, or grandparent living at the time of her death. Nephew James Warburton is shown as living in Timperley near Altrincham.

On 5 Jul 1827 when James was 28, he married **Sarah Warburton** in Manchester Cathedral, Lancashire. Sarah was born in Altrincham, Cheshire, on 27 Mar 1805. She was christened in Altrincham, St George, Cheshire, on 28 Apr 1805. Sarah died in Timperley, Cheshire, on 12 Dec 1844. She was buried in Bowdon, St Mary, Cheshire, on 15 Dec 1844.

Sarah is tentatively identified as Sarah Warburton of the Altrincham family. A Sarah Warburton married James Warburton at Manchester Cathedral on June 5th 1827, which fits the birth of their first child. Also her age at death means she was born in 1805, or late 1804. Sarah the youngest daughter of Joseph Warburton and Elizabeth Ashton was born on March 27th 1805. .

Her death was registered in 4q 1844 Altrincham 19 3, aged 39. She was buried in grave 933, aged 39.

They had the following children:

i. **Ellen Warburton**. Ellen was born in Dunham, Cheshire, in 1828. She was christened in Bowdon, St Mary, Cheshire, on 28 Oct 1828.

74 ii. **Peter Warburton** (1829-1900)

50. James Warburton (*James*[9], *John*[8], *James*[7], *George*[6], *Peter*[5], *John*[4], *George*[3], *John*[2], [1]). James was born in Bollington, Cheshire, on 13 Apr 1804. He was christened in Rostherne, St Mary, Cheshire, on 6 May 1804. ■ Census for Heaton Norris, Lancashire, in 1841. James (35) is a publican living in New Road with Letty (30), Sarah (14). Smith (13), and Thomas (12). James is said to be born in Lancashire. ■ Census for Manchester, Lancashire, in 1851. James (46), born in Bollington, Cheshire, a married confectioner, is one of 7 lodgers lodging with James Baker and his family in Deansgate. ■ Census for Manchester, Lancashire, in 1861. James (57), born in Bollington, Cheshire is a widowed confectioner living in the Sick and Infirm Workhouse, Manchester. James died in Manchester, Lancashire, in 1868.

James was baptised the son of James and Ann of Bollington. His death was registered in 1q 1868 Manchester 8d 207, aged 63.

The identification of the James in the 1851 and 1861 censuses with the husband of Lettice Williamson is not certain. In 1841 he is said to be born in Lancashire, but this could be a mistake. This James was a block cutter on his children's baptisms, but he was a publican by 1841. Lettice's death in 1851, after the census, fits with James being married in the 1851 census but a widower by 1861. Lettice has not been found in the 1851 census, and was maybe already ill. James had already shown a willingness to seek new careers by being a publican in 1841, so maybe becoming a confectioner is not unlikely.

On 3 Jan 1825 when James was 20, he married **Lettice Williamson** in Manchester Cathedral, Lancashire. Lettice was born abt 1810. Lettice died in Stockport, Cheshire, in 1851.

Lettice's death was registered in 4q 1851 Stockport 19 217, aged 41.

They had the following children:

75 i. **Smith Warburton** (1829-1884)

ii. **Sarah Ann Warburton**. Sarah Ann was born in 1827. She was christened in Stockport, St Mary, Cheshire, on 8 Apr 1827.

Sarah was baptised the daughter of James and Lettice of Daw Bank.

iii. **Thomas Warburton**. Thomas was born in 1830. He was christened in Stockport, St Mary, Cheshire, on 29 Aug 1830.

Thomas was baptised the son of James, a block cutter, and Lettice. His whereabouts after 1841 are uncertain. A Thomas aged 21 was buried at Chorlton upon Medlock, All Saints on August 21st 1851.

Another Thomas, son of James, married Amelia Hannah King on October 21st 1855 at Manchester Cathedral. Although both Thomas and Hannah wee 22 on their marriage record, they are aged 30 and 28 on the 1861 census. However Thomas's father James's occupation of dyer seems incorrect, though as Thomas was a dyer this might be a mistake. This Thomas probably died in 1868. The family had at least 4 daughters though the eldest seems to have been born 3 years before their marriage. Like his (possible) brother Smith, this Thomas gives his place of birth as Manchester in 1861.

“I am the 3x great grandson of John and Mary (Mary Sadler) Warburton of Elkland Township. I live in Clyde which is a small (650) city in north central Kansas.

I have John's diary and family bible. It dates descendants back to 1670, in England. They had 12 children. The diary is in better shape than the Bible. I did open the bible up and found one date for the New Testament. It was dated 1636.

Of course the bible is probably 100 years older. I believe the diary was started about 1811.

My Aunt (Edna) was a secretary for the So. Ca. Gas Company for over 40 years. She transcribed the diary about 15-20 years ago. She is now 89 years old. I remember her saying it took a long time to copy because his words were written in old English. After she caught on to the spelling it was a lot faster.

The pages in the bible are too brittle to open and read. However John did write the information in his diary. The diary pages are very brittle also, as he started it about 1811-1816. My Aunt transcribed the diary several years ago. It is really fascinating reading as he speaks of his travels from England to Pennsylvania, then to Elkland Township in Sullivan County”. (2008)

The following information is from Percy's grandson Eduardo Santiago (Edward James) Warburton:

"My grandfather Percy Warburton came to Argentina before WWI and then went to fight as a volunteer in 1914. His platoon was wiped out except for himself and a fellow soldier, who was left blind and in a wheel chair. Percy always told that as he laid wounded, his biggest fear was to pass out as the way they checked if there were any survivor was to pinch the bodies laying on the ground with a large iron rod, and that many died of the "health check" so he did his best to stay awake! Severely wounded and spent 9 months in hospital and was later appointed to train new recruits in Ireland.

"He came to work to Argentina because, the railways in Argentina were built by the British. He came circa 1906. At that time there were some 300.000 British people living in Argentina and most of them worked in the railways. At it's peak, the railway system had 90,000 kms of rails and endless stations, each of which had a British station master plus lots of staff from UK. This is the reason why Argentina plays football, rugby, field hockey and even cricket. The first international cricket game was played between the British staff of Venado Tuerto Station and a visiting English team in the late 19th century.

"When Percy first came, without knowing a word of Spanish, he was sent to a remote station in the Province of La Pampa where he was station master and had 2 workers (gauchos rather) who knew not a word of English. He came back after 2 years from La Pampa speaking Spanish.

"After the war Percy returned to Argentina in 1919 and married my grandmother, Anita Allen. They had two children, my father Ronald James, and my aunt Elsa Mary Warburton who is currently alive and living in Washington DC. My father married María Susana Fernández, and had me and my sister Mary Anne who died 20th November 2010.
I married and have two children.

"Percy died in 1958, September or October, at the British Hospital in Buenos Aires. The exact date is unknown.

"The trips to England were family leaves given by the Central Argentino Railway. My grandfather had 5 brothers (2 of which died during WWI) and 1 sister who moved to Canada."

Percy's leaves were captured in Immigration Records as follows:
