Information on Joseph and his ancestors is based on the tree placed on Genes Reunited by Amanda Wood, which I will attempt to expand with my own research in due course.

The birth of Ann Eliza, mother's maiden name Burgess, was registered in 2q 1859 Altrincham 8a 159.

12. George William Ward, son of **24. Walter Ward** & **25. Mary Ann Bettis**. George William was born in Stratford, Essex, on 22 Dec 1874. ■ Census for Leyton, Essex, in 1891. His birth certifiacted also says George William, father Geroge Walter, a labourer, of 13 Waddington Street, mother Mary Ann formerly Bettis, who was also the informant on February 1st 1875. THe date of birth is given as 22nd December 1874, which matches the date of birth given in the 1939 Register.

George's death was registered in 1q 1947 Esses SW 5a 194, as George William, aged 72. He was a retired railway platelayer living at 64 Adelaide Road. He died of myocardial degeneration, senility, and chronic bronchitis. The informant was e. Ward, widow.

All other known records of George refer to him as George Walter, but it seems that George William was his official name.

There is no registration of a marriage between a Ward and Bettis in the 20 years before George's birth (or a Betts in the London area), so it appears the marriage wasn't registered. Deaths of a Mary Ann Ward registered between 1875 and 1879, of a likely age, do not refer to a wife of Geoerge or George Walter.

13. Hannah Emma Eliza Betts, daughter of **26. William Henry Betts** & **27. Hannah Mayo**. Hannah Emma Eliza was born in Limehouse, Stepney, London, on 11 Dec 1879. Hannah Emma Eliza died in 1969.

32. William Warburton, son of **64. John Warburton** & **65. Mary Hough**. William was born in Hale Barns, Cheshire, in 1775. He was christened in Hale Chapel (Unitarian), Cheshire, on 9 Aug 1775. ■ Event in May 1806. William becomes eligible to receive part of his inheritance from his father's estate on his youngest sister Jane's 21st birthday. This is one fifth (maybe more if any of his four younger siblings have died) of the proceeds from the sale of the goods and stock from Perrins tenement when the lease expired. Since Jane's date of death is unknown she might already be deceased so he would have received the legacy on his brother Joseph's 21st in February 1804. ■ Event on 17 Dec 1822. William becomes eligible to receive the rest of his inheritance from his father's estate on his mother's death. This is one fifth (maybe more if any of his four younger siblings have died) of the proceeds from the sale of Houghs in Altrincham, and from his mother's £70 trust fund. ■ Event in Hale Barns, Cheshire, in 1838. William's farm of 104 acres in 23 fields is depicted on the Tithe Map of 1838. His landowner is Isaac Harrop. Part of his farm is now part of Hale Golf course. ■ Census for Hale, Cheshire, in 1841. Occupation farmer. Ellen, William, Josiah and Wright are living at home. ■ Census for Hale, Cheshire, in 1851. William, aged 75, is a farmer of 50 acres with 4 servants living at Ross Mill, with his wife Ann (72), plus Ellen (50) and Wright (35), and visitor William Wright (4). The drop in acreage between the 1838 tithe map and this census may be because the former is recorded standard Imperial acres while the census gives Cheshire acres. ■ Census for Hale, Cheshire, in 1861. William, aged 85, is a farmer with 3 servants living at Ross Mill. Ellen (60), Wright (44), William Wright (14) grandson occupation carter, and William (13) son of Joseph are staying. William died in Hale, Cheshire, on 26 Feb 1862. He was buried in Bowdon, St Mary, Cheshire, on 3 Mar 1862.

In May 1806 William became eligible to receive part of his inheritance from his father's estate on his youngest sister Jane's 21st birthday. This is one fifth (maybe more if any of his four younger siblings have died) of the proceeds from the sale of the goods and stock from Perrins tenement when the lease expired. Since Jane's date of death is unknown she might already be deceased so he would have received the legacy on his brother Joseph's 21st in February 1804.

On December 7th 1822 William became eligible to receive the rest of his inheritance from his father's estate on his mother's death. This is one fifth (maybe more if any of his four younger siblings have died) of the proceeds from the sale of Houghs in Altrincham, and from his mother's £70 trust fund.

William's farm of 104 acres in 23 fields is depicted on the Tithe Map of 1838. His landowner is Isaac Harrop. Part of his farm is now part of Hale Golf course.

35. Esther Greenhough.

36. James Davenport, son of **72. Joseph Davenport** & **73. Sarah Brough**. James was born in Lymm, Cheshire, abt 1791. ■ Census for Ashley, Cheshire, in 1841. James died in Altrincham, Cheshire, on 19 Feb 1857. He was buried in Bowdon, St Mary, Cheshire, on 23 Feb 1857.

James's baptism hasn't been found. He must have been born in early 1791 and named shortly after the death of his elder brother and namesake. The baptism of his sister Henrietta in April 1792 means he cannot have been born much after May 1791.

James's death was registered in 1q 1857 Altrincham 8a 131, aged 66. His will was dated 29th April 1850:

Executors/Trustees: John Davenport and Richard Davenport.

Bequests included:

To wife Sarah, £80 rent annually from the proceeds from freehold land and property which James owns.

To Joshua and Sarah Ann, the sum of £50.

To John and Richard, income from leasehold properties.

To children, or if dead their children, an equal share of the residue of the estate.

To John and Joshua, the right to buy the stock in trade and to receive without charge the goodwill of James's business, should they decide to continue to run Ashley Corn Mill. Either or both sons to buy machinery etc.

A codicil dated 5th October 1854 addressed the distribution of the residue of the estate to the children of deceased children. If beneficiaries are daughters then trustees are to invest the money in stocks and shares, and they take the interest; husbands not to benefit.

James was formerly of Ashley but late of Altrincham when he died. His personal effects were under £1,000.

James's gravestone describes him as of Altrincham, formerly of Castle and late of Ashley Mills, aged 66. Castle Mill was a Mill on the river Bollin near Ringway, upstream from Ashley Mill.

Henry Burgess and his wife Mary had 8 children baptised at Hale Chapel. Sarah's dates fit with the Sarah who married Willaim Davenport, and her sister Elizabeth is present in the 1861 census, albeit with a slightly reduced age.

Henry Burgess of Wilmslow was buried aged 55. The will of Henry Burgess of Styal, famerwas dated June 7th 1834. All his effects were left in trust to his wife Mary Burgess, his sister Mary Burgess, and his stepson Joshus Roylance for the maintenance of his wife and upbringing of his children.

Also present are her Burgess children Mary (20), Elizabeth (15), Hannah (15), Henry (14), John (12), William (10), and Isaac (8), plus Mary Burgess (55), and Hannah Burgess (50). ■ Census for Styal, Wilmslow, Cheshire, in 1851. Mary was baptised the daughter of Isaac and Elizabeth Timperley of Mobberley.

Mary's third husband, John Perrin is a widower in the 1861 census farming in Rostherne, the family must have moved from Styal before Mary's death as Mary Perrin of Rostherne was buried at Rostherne, aged 60. Her death was registered in 1q 1859 at Altrincham 8a 144, aged 60.

Seventh Generation

64. John Warburton, son of **128. John Warburton** & **129. Martha Hanson**. John was born in Hale Barns, Cheshire, in 1716. John died in Hale Barns, Cheshire, on 16 Nov 1791. He was buried in Bowdon, St Mary, Cheshire, on 20 Nov 1791.

John's baptism isn't in the parish records at Bowdon, suggesting a non-conformist baptism at home or at Ringway Chapel which was still controlled by dissenters.

On June 22nd 1722 John is a life on a lease taken by Isaac Falconer. This is known from the 1764 Rental and Lease abstracts which describes John as a farmer aged 46. He can only have been a boy when the lease was taken.

John received £20 from the will of his grandfather James Hanson, dated May 13th 1723.

John was bequeathed £80 in the will of his grandfather Josiah, dated April 8th 1729. Josiah died in 1730. He also shared one half of the residue with his father and sister.

On November 7th 1746 John was party to a lease with John Crewe of Crewe, in which he surrenders and renews the lease on Easty Lane tenement for a fine of £45 and at a rent of 22s 10d per annum. His father John remains a life on the lease and his son Thomas replaces grandfather Josiah as the 3rd life.

On February 24th 1751 John leased land for 21 years from the following February 2nd (i.e. to 1773), at a rack rent of £12 1s per annum. This is apparently a lease renewal because the land is Oxheys, which along with Ringway meadow, Aspinnurs and Nine Butts is tenanted by John Warburton (John's father) in the 1726 Survey. Ringway meadow, Aspinnurs and Nine Butts are still tenanted by John's widow Mary in the pre 1807 survey.

On October 4th 1751 a lease on the moiety of Parker's tenement includes John as a life. This is known from the 1764 Rental and Lease abstracts where John is referred to as John senior aged 47.

In 1756 John's father's will left him a Chief Rent of 6s 8d per annum from William Tatton of Withenshaw, his household goods (except the linen and books which were shared with his sister), and half the residue of his personal estate after various legacies were paid.

Although he is paying rent for Easty Lane tenement his will refers to his lease from John Perrin. The will of Josiah Perrin in 1726 refers to 'my Estate lying and being in Yestow [Eastoe] Lane (formerly call'd Healds)'. Easty Lane was held on a 3 life lease on a low rent of £1 8s 10d, but the year after his death Mary is paying £26. John was the last life so it presumably reverted to a rack rent. Mary was still paying (now £28) in 1807. The lease with John Perrin expired before 1806 as the wording of his will implies it was due to occur before his youngest child, Jane, reached 21. This implies they were two separate

leases but doesn't explain why Easty Lane isn't included in the will. It may have already been transferred to his wife.

In 1764 The Crewe Rental with Lease Abstracts includes for John:

- Rent of £1 8 10d on land leased on Nov 7th 1746, i.e. Easty Lane tenement. The increase over the value in the lease may cover the land in Ringway not covered by the 21 year lease below.
- Rent of £12 1s 0d on land in Ringway leased on Feb 24th 1751 for 21 years.

He was buried in grave P492 "in his 76th year" with his first wife Sarah, and his granddaughter Mary, daughter of Joseph and Grace of Rostherne who died in 1831 aged 15. This makes his birth date 1716, or late 1715.

The Crewe Rental dated November 19th 1773 is first rental where the rental for Oxheys in Ringway ceases. It is now rented by Peter Goodier. The reference to Ox Hays first appears in the 1772 rental, becoming Ox Heyes in 1773.

In 1785 Rentals collected at Martinmas include:

- John, for late Josiah's tenement called Yester Lane, £1 8s 10d.
- Benjamin Whitelegg, for 1 acre, part of Parker's late held by John £1 10s 0d, and for part of Parker's leased in 1751 on lives of John of Easty Lane aged 62 (died 1791 according to later note), Joseph Faulkener, and Benjamin Whitelegg (living on premises). Benjamin is described as 'tenant at will' for the part held by John. Rental not noted. Benjamin is John's son-in-law having married his daughter Martha.

John's will was dated November 8th 1791. It was proved on April 21st 1792. He mentions 2 tenements, one in Hale which he leases from John Perrin, and one in Altrincham called Houghs. Executors are Andrew Garner and George Hankinson. The will is complex to ensure the upbringing of his younger children.

Although he is paying rent for Easty Lane tenement his will refers to his lease from John Perrin. The will of Josiah Perrin in 1726 refers to 'my Estate lying and being in Yestow [Eastoe] Lane (formerly call'd Healds)'. Easty Lane was held on a 3 life lease on a low rent of £1 8s 10d, but the year after his death Mary is paying £26. John was the last life so it presumably reverted to a rack rent. Mary was still paying (now £28) in 1807. The lease with John Perrin expired before 1806 as the wording of his will implies it was due to occur before his youngest child, Jane, reached 21. This implies they were two separate leases but doesn't explain why Easty Lane isn't included in the will. It may have already been transferred to his wife.

He was buried in grave P492 in his 76th year, with his first wife Sarah, and his granddaughter Mary, daughter of Joseph and Grace of Rostherne who died in 1831 aged 15. This makes his birth date 1716, or late 1715.

65. Mary Hough. Mary was born in 1749. She was buried in Bowdon, St Mary, Cheshire, in 1822. Mary died on 17 Dec 1822.

In 1792 Mary's name is pencilled in over her late husband's for the rental on Easty Lane tenement of £26 per annum. This has been changed from the £1 8s 10d charged under the 3 life lease in 1785. It isn't known if the term was changed at the same time.

An undated 19th century land survey (probably circa 1800) lists Mary paying rack rent for: House, barn, yard, garden, orchard, Nearer and Further Fields at Door, Sound Field, Eve's Field, Lower Eve's Field, and at Ringway, Ringway Meadow, Nine Butts and Aspinars, total almost 27 acres. Near and Further Fields at Door, Sand Field, Eve's Field, Little Eve's Field, Aspinhurst, Ringway Meadow, Half Acre and Nine Buts, plus Ox Heys and Lamb's Croft are all on the 1838 tithe map.

The 1807 rental includes Mary Warburton, for Easty Lane tenement, except Ringway Meadow, Nine Butts, and Aspinars sold to Mr Egerton, £28 per annum (a further increase). The Crewes sold their Hale estates in 1808.

Mary was buried in grave P493, aged 73, with her son Josiah, aged 10 months, and her grand parents-in-law.

66. James Wright. James was born abt 1740. He was buried in Bowdon, St Mary, Cheshire, in 1821. James died on 9 Dec 1821.

James was buried in grave 936, aged 81.

67. Martha Wright. Martha was born abt 1739. Martha died on 4 Mar 1809. She was buried in Bowdon, St Mary, Cheshire.

The marriage of Martha Wright and James Wright at Lymm is unconfirmed as the correct James and Martha, but it is the only marriage with an appropriate time and place. Martha was buried in grave 936, aged 70.

72. Joseph Davenport, son of **144. Thomas Davenport** & **145. Jane Read.** Joseph was born in Ashley, Cheshire, in 1753. He was christened in Bowdon, St Mary, Cheshire, on 27 May 1753. Joseph died in Ashley, Cheshire, in 1823. He was buried in Bowdon, St Mary, Cheshire, on 18 Oct 1823.

Joseph was baptised the son of Thomas and Jane of Ashley.

Although Joseph's children were born sequentially at Ashley, Lymm, Hale and Ashley they are considered to be a single family because there is no other known Joseph and Sarah marriage apart from the marriage of a schoolmaster to Sarah Salt in 1787 followed by several baptisms, all at Acton, Cheshire. Also the baptisms continue at Bowdon during their period in Lymm.

73. Sarah Brough, daughter of **146. John Brough** & **147. Sarah**. Sarah was born in 1755. She was christened in Macclesfield Forest, St Stephen, Cheshire, on 27 Apr 1755. Sarah died in Ashley, Cheshire, in 1832. She was buried in Bowdon, St Mary, Cheshire, on 14 Feb 1832.

Sarah was buried as Sarah of Clive House, late of Ashley, aged 76.

74. John Pickstone, son of **148. George Pickstone** & **149. Sarah Renshaw**. John was born in Altrincham, Cheshire, abt 1747. ■ Census for Altrincham, Cheshire, in 1841. John (93) is a gardener living at Hale Moss with Jane (70) and Elizabeth (45). John died in Altrincham, Cheshire, in 1843. He was buried in Bowdon, St Mary, Cheshire, on 30 Sep 1843.

John's baptism hasn't been found, though numerous Ancestry Public Trees identify his parents as George and Sarah nee Renshaw. His date of birth is calculated from his age on the 1841 census and his death registration and burial record.

He is confirmed as the son of George by the following lease which is one of several showing the tenement in the family's hands for several generations.

A lease dated August 18th 1808 in the Stamford Estate records is for Tenement 32, a messuage and tenement in Altrincham with a garden and croft, size 2 rods 29 perches. The lessee is John of Altrincham, husbandman. The lease was surrendered to George Pixtone, deceased, the father of the lessee. The rent is 17s, and the considration £88.

The lease was accompanied by several baptism records whose significance is unknown. The first relates to John's father. The second is John's son. The ithird is probably his grandson, but the relationship of the last has yet to be determined:

- George, son of Ralph 1/2/1720
- George son of John and Mary 18/7/1784
- George son of William and Elizabeth 7/3/1802
- John son of George and Ann Brundret 20/3/1791

The will of John the Elder was written 0n December 16th 1836. He mentions:

- My lifehold messuage, tenement, gardens, and other appurtenances in Altrincham, in my own occupation, held under the Earl of Stamford and Warrington.
- His son William, and son-in-law James Davenport, miller of Hale are executors.
- He also mentions wife Mary, daughter Jane, children Ralph, John, Mary, William, George and Sarah.

John Pixton of Altrincham was buried aged 96. His death was registered in 3q 1843 Altrincham 19 6, aged 95.

75. Mary Smith. Mary died aft 1836.

Mary is mentioned in John's will so was presumably alive in 1836, but her death registration hasn't been found.

76. Henry Burgess, son of **152. Henry Burgess** & **153. Hannah Whitelegg**. Henry was born in Mobberley, Cheshire, in 1739. Henry died in 1799. He was buried in Mobberley, St Wilfred, Cheshire, on 11 Nov 1799.

He is described as 'of Mobberley' on Sarah's grave. He was buried at Mobberley in 1799, aged 60 (according to N Cheshire Memorial Inscriptions).

77. Sarah Whitelegg, daughter of **154. William Whitelegg** & **155. Mary Gleave**. Sarah was born in 1740. Sarah died on 16 Apr 1816. She was buried in Bowdon, St Mary, Cheshire.

Sarah subsequently married Henry Burgess of Mobberley. They each received 2s 6d from her father-in-law's will. She was buried in grave P394 "aged 76 years", with her first husband Thomas and their daughter Sarah.

78. Isaac Timperley. Isaac was born abt 1760. ■ Census for Styal, Wilmslow, Cheshire, in 1841. Isaac died in Styal, Wilmslow, Cheshire, in 1844. He was buried in Mobberley, St Wilfred, Cheshire, on 23 Dec 1844.

Isaac's baptism has not been found. The nearest in time is on January 16th 1763 at Manchester Cathedral, the son of Thomas and Alice. Some Ancestry Public Trees identify a baptism on October 6th 1770 at Hale Chapel, the son of Francis and Mary of Hale. Isaac baptised most of his own children at Hale Chapel. However Isaac would be 10 years old at the time of the baptism. Isaac son of Francis is mentioned in his father's will of 1800 and it is clear he is a younger child for whom a birth date of 1770, and a marriage at Bowdon in 1795 are a good fit.

A Land Tax return shows Isaac assessed for £1 11s for land leased from Mr Thos. Orrell at Mobberley. It seems he moved to styal before the baptism of his youngest child, Helen in 1808.

Isaac was buried as Isaac of Styal, aged 84. His death was registered in 4q 1844 Altrincham 19 17, aged 84.

Administration for Isaac was granted to son Samuel Timperley of Styal, farmer, John Perrin of Styal, farmer, and John Birtles.

79. Elizabeth Percival, daughter of **158. John Percival** & **159. Sarah Ridgeway**. Elizabeth was born in Warford, Cheshire, in 1767. She was christened in Mobberley, St Wilfred, Cheshire, on 24 May 1767. Elizabeth died in Styal, Wilmslow, Cheshire, in 1833. She was buried in Mobberley, St Wilfred, Cheshire, on 7 Apr 1833.

Elizabeth was baptised the daughter of John and Sarah of Warford in the parish of Alderley. She was buried as Elizabeth of Styall, Wilmslow, aged 66.

87. Loetitia Catherine Leicester.

88. Hugh Woodall, son of **176. William Woodall** & **177. Hannah Royle**. Hugh was born in Alderley, Cheshire, in 1754. He was christened in Alderley, St Mary, Cheshire, on 26 Dec 1754. Hugh died in Marthall, Cheshire, on 30 Nov 1827.

Hugh's parents are William and Hannah on his baptism. He was resident in Great Warford in 1798 according to the UK Land Tax records.

89. Elizabeth Barlow. Elizabeth died in Marthall, Cheshire, in 1803.

90. Thomas Gibson, son of **180. John Gibson** & **181. Margaret**.

Thomas is described as an Innkeeper or Publican on the baptisms of his children.

91. Susannah Earlam, daughter of **182. Thomas Earlam** & **183. Mary**.

92. William Burgess, son of **184. John Burgess** & **185. Mary**. William was born in Tabley Superior, Cheshire, in 1768. He was christened in Rostherne, St Mary, Cheshire, on 7 Aug 1768. ■ Census for Tabley Superior, Cheshire, in 1841. William (72) is a farmer living with Elizabeth (10), and Mary Steel (40). The 1851 census suggests Elizabeth is actually Elizabeth Steel, Mary's daughter. ■ Census for Tabley Superior, Cheshire, in 1851. William (84) is a widowed farmer of 10 acres living with Mary Steel (50) a house servant, and Elizabeth Steel (20). William died in Northwich, Cheshire, on 25 Jan 1853. He was buried in Rostherne, St Mary, Cheshire, on 28 Jan 1853.

William was baptised the son of John and Mary of Tabley. His death was registered in 1q 1853 Altrincham 8a 155, aged 86. The same age is given on his burial record.

William appears in numerous Public Trees on Ancestry. They usually give his baptism as taking place on January 11th 1767 at Great Budworth. However his place of birth on the 1851 census is Over Tabley, and his abode on his children's baptisms is Tabley. It is therefore most likely his baptism was that at Rostherne in 1768. His age at death is given as 86. this places his birth between January 25th 1767 and January 24th 1768, so it doesn't exactly fit either baptism date, unless his baptism at Rostherne was abnormally late. However the age of 72 on his 1841 census entry does fit a birth in the second half of 1768.

The trees are also conflicted on the identity of his wife. Both the marriage to Margaret Hickson at Great Budworth in 1790, and one to Elizabeth Robinson in 1795 at Mobberley are mentioned. However the marriage at Mobberley is a separate family with its own children baptised at Mobberley. The 1790

marriage at Great Budworth states that William was from Rostherne parish, so this is the best fit.

Curiously both marriages produced a son, Thomas baptised in 1803, one at Rostherne, and one at Mobberley.

93. Margaret Hickson, daughter of **186. Thomas Hickson** & **187. Margaret**. Margaret was born in Shulach, Cheshire, in 1772. She was christened in Davenham, St Wilfred, Cheshire, on 3 May 1772. Margaret died in Over Tabley, Cheshire, bef 1841.

Margaret was baptised the daughter of Thomas and Margaret Hickson of Shurlach. She is not present in the 1841 or 1851 censuses, when husband William is living alone except for a housekeeper and her daughter. William is a widower in 1851 census. Margaret must have died before June 1841.

Several Ancestry Public trees say Margaret died in 1867, aged 96, even giving a precise date of September 21st. However no source is given and no death registration or burial has been found.

94. John Hickson. John was born in Rostherne, Cheshire, abt 1768. John died in Rostherne, Cheshire, on 10 May 1816.

95. Sarah Barrow, daughter of **190. Samuel Barrow** & **191. Elizabeth Appleton**. Sarah was born in Comberbach, Cheshire, in 1776. She was christened in Great Budworth, St Mary, Cheshire, on 25 Feb 1776. ■ Census for Rostherne, Cheshire, in 1841. Sarah (68) is a farmer living at Tabley Superior with Samuel (48) and Joseph (28). Sarah died in Tabley, Cheshire, in 1848. She was buried in Rostherne, St Mary, Cheshire, on 17 Jan 1848.

Sarah's father was Samuel from Comberbach on her baptism record. Her death was registered in 1q 1848 Altrincham 19 12, aged 73. She was from Tabley on her burial record.

96. Joseph Ward. Joseph was born in Essex ca 1774.

97. Ann.

114. William Sear.

115. Sarah Blomefield.

124. Joseph Carvell. Joseph was born in Blakesley, Northants, abt 1797. Joseph died in Towcester,

Northants, in 1875.

Joseph's death was registered in 1q 1875 Towcester 3b 18, aged 77.

125. Sarah Gilkes, daughter of **250. William Gilkes** & **251. Patience Norman**. Sarah was born in Moreton Pinkney, Northants, in 1802. Sarah died in Northants in 1876.

Eighth Generation

128. John Warburton, son of **256. Josiah Warburton** & **257. Jane Hollinpriest**. John was born in Hale Barns, Cheshire, in 1680. He was christened in Bowdon, St Mary, Cheshire, on 23 May 1680. John died in Hale Barns, Cheshire, on 12 Mar 1756. He was buried in Bowdon, St Mary, Cheshire, in 1756.

John was party to a lease dated June 10th 1708, along with William Ffrowde, for a messuage in Hale lately occupied by George Parker of Dunham. The 3 lives were James Whitelegg, son of Benjamin, and George and William Parker sons of the late George. A note on the lease of the same date says 'Life added, part of Parker's, rent 13s'.

John was party to a 3 life lease, dated May 14th 1719, from William and Lucy Ffrowde, the other lives being his father Josiah, and son John. This lease is known from its renewal in 1746 by his son John. It is for the land later known as Easty Lane Tenement.

John was party to a lease, dated May 16th 1719, with William Ffrowde for the late George Parker's messuage in Hale now occupied by John. The 3 lives were James Whitelegg, son of Benjamin, John, and his son John. A note on the lease says 'part of Parker's, rent 13s'.

John recieved £50 from the will, dated May 13th 1723, of his father-in-law James Hanson. His 2 children received £20 each and John was an executor. James left over £1000 and a farm in Mobberley already in the hands of his son James. James himself was living with his daughter Sarah Leicester at the Leicester seat at Hale Low.

A 1726 survey of the Crewe lands in Hale and Ringway shows John Warburton as tenant of:

- 20 acres in Ringway including Ringway Meadow, Nearer and Further Oxhey, Aspinnurs, Nine Butts and Lamb Croft. These fields are identifiable on the 1838 tithe map. Although they were part of a larger farm at that time they are not contiguous, but form 3 distinct chunks.
- 20 acres in Hale including a house, barn and orchard, Field at Door, Soon'd Field and Evers Field. These fields can be seen on the 1838 ithe map where they are part of a larger farm. They are not contiguous but form 2 separate chunks.
- 28 acres in Hale jointly with Benjamin Whitelegg including a house, barn and orchard, Barn Field, Middle Field, Bow Croft, Hale Field, Dobb Croft, Greenhale Moor, Middle and Little Hale Moor, and Hale Moor Field. Whilst a number of these names appear on the Tithe Map they form no cohesive entity.

John was named an executor in his father's will, dated April 8th 1729. He also received half the residue of the estate, divided equally between himself and his two children. Josiah died in 1730.

On September 3rd 1731 John was taken to court by John Crewe over £80 10s owed on part of Parker's tenement and part of Hesketh's tenement. This represents rent of £11 10s unpaid for 1726-32. John

Crewe repossessed the property and received £49 12s 10d costs.

The Crewe Rent Boooks for 1734-7 show:

- John with a rack rent of £12 0s 8d paid, probably for the land in Ringway.
- Benjamin Whitelegg for part of Parker's; rest John Warburton 9s 3d per annum, £6 0s 6 1/2d unpaid.
- Under Hale Old Rents £1 2s 10d per annum, £14 16s 10d unpaid. This is probably Easty Lane tenement.

John of Eastoe Lane is named executor in the will, dated April 7th 1734, of John Warburton of Hale, believed to be John Warburton of Oaklands Farm.

On February 2nd 1736, John with John Hankinson, as executors of the will of John of Hale, grant his pew in the gallery of the church to John Birch of Hale for a consideration of £12.

The main beneficiaries of John's own will, dated March 7th 1745, are his two children. Most interesting is his reference to "that Chief Rent belong to me and due from William Tatton esq of Withenshaw Hall being the sum of six shillings and eight pence yearly", which he bequeathed to his son John together with household goods. He also bequeathed £100 to his daughter Jane Norbury, and after a couple of minor bequests he divided the rest of his personal estate between John and Jane. Son John, and son-in-law John Norbury were executors.

John was a life on a lease taken by William Garnett, dated October 3rd 1746.

John remains a life on the lease for Easty Lane tenement when his son John renews it on November 7th 1746 for a fine of £45 and at a rent of 22s 10d per annum. His grandson Thomas replaces Josiah as the 3rd life.

John was buried in grave P494 "in the 76th year of his age" with his wife Martha, and an infant Thomas who is a great grandson.

129. Martha Hanson, daughter of **258. James Hanson**. Martha was born in Mobberley, St Wilfred, Cheshire, on 14 Sep 1688. She was buried in Bowdon, St Mary, Cheshire, in 1719. Martha died on 23 Apr 1719.

Martha was buried in grave P494 with her husband John, and an infant Thomas who is a great grandson. Her age isn't recorded.

144. Thomas Davenport, son of **288. John Davenport** & **289. Catherine**. Thomas was born in Mere, Cheshire, in 1715. He was christened in Rostherne, St Mary, Cheshire, on 1 Jan 1716. Thomas died in Ashley, Cheshire, in 1804. He was buried in Rostherne, St Mary, Cheshire, on 12 May 1804.

Thomas was born the son of John of Meir (sic). This is presumably a misspelling of Mere. Thomas of

Ashley was buried aged 89 "at John Davenport's headstone from the Lower Gate to the Steeple".

The will of Thomas Davenport of Ashley, Cheshire, Yeoman was dated November 17th 1802.

It mentions:

- a farm in Ashley occupied by son Joseph for £15 per annum rent, which includes a parlour, a small parcel of land and some fruit trees that Thomas has use of.
- wife Jane Davenport and son Thomas Davenport.
- eldest daughter Elizabeth Read, wife of Thomas Read
- daughters Mary Hough and Jenny Warburton
- sons Samuel and John
- son Thomas, and son-in-law John Hough as executors.

145. Jane Read. Jane was born in 1725.

146. John Brough.

147. Sarah.

148. George Pickstone, son of **296. Ralph Pickstone** & **297. Mary Davenport**. George was born in Altrincham, Cheshire, in 1719. He was christened in Bowdon, St Mary, Cheshire, on 1 Feb 1719. George died in Altrincham, Cheshire, on 11 Aug 1807. He was buried in Bowdon, St Mary, Cheshire, on 14 Aug 1807.

George was baptised the son of Ralph Pickstone of Altrincham.

A lease dated July 1st 1768 in the Stamford Estate records is for Tenement 32, a cottage and tenement in Altrincham with with 2 roods of land (1/2 acre) and other appurtenances. The lessee is George of Altrincham, gardener. The lease was surrendered to Ralph Pixtone, deceased, the father of the lessee. The rent is 2s, and the consideration is £6 10s.

George of Altrincham, husbandman, was buried aged 88.

149. Sarah Renshaw. Sarah was born in 1718. Sarah died on 21 Jul 1793. She was buried in Bowdon, St Mary, Cheshire, in 1793.

152. Henry Burgess, son of **304. Henry Burgess**. Henry was born in 1704.

158. John Percival. John died in Warford, Cheshire, in 1772. He was buried in Mobberley, St Wilfred, Cheshire, on 22 Jun 1772.

John's baptism hasn't been identified. He was from Mobberley on his marriage bond but there is no baptism at Mobberley, the nearest in a suitable timeframe being at Bowdon, Prestbury and Wilmslow.

John and Sarah are either from Alderley or Warford on their children's baptisms. Pedley House is also mentioned on 2 occasions. On daughter Elizabeth's baptism they are from Warford in the parish of Alderley. Therefore it would seem they lived at Pedley House, Warford, and the parish of Alderley throughout.

John was buried as John Percival of Warford.

159. Sarah Ridgeway, daughter of **318. Thomas Ridgeway** & **319. Sarah**. Sarah was born in Alderley, Cheshire, in 1725. She was christened in Alderley, St Mary, Cheshire, on 31 Jan 1725. Sarah died in Warford, Cheshire, in 1797. She was buried in Mobberley, St Wilfred, Cheshire, on 30 Mar 1797.

Based on her marriage bond and date of death, Sarah is probably the Sara, daughter of Thomas and Sara of Alderley baptised at Alderley on January 31st 1724/5. She was buried as Sarah Percival of Warford in the parish of Alderley.

176. William Woodall. William was born in 1716. William died in Great Warford, Cheshire, on 14 May 1795. He was buried in Alderley, St Mary, Cheshire, on 18 May 1795.

Samuel was the son of William Barrow of Weaverham on his baptism record.

251. Patience Norman. Patience was born in Moreton Pinkney, Northants, in 1772. Patience died in Moreton Pinkney, Northants, in 1853.

Ninth Generation

256. Josiah Warburton, son of **512. John Warburton** & **513. Margaret Hardy**. Josiah was born in Hale, Cheshire, on 13 Mar 1658. He was christened in Bowdon, St Mary, Cheshire, on 6 Jun 1658. Josiah died in Northen Etchells, Cheshire, on 20 Mar 1730. He was buried in Bowdon, St Mary, Cheshire, on 28 Mar 1730.

Josiah is bequeathed 10 shillings in his father's will. The will was proved March 21st 1692.

In 1701 a Josiah Warburton is paying 8s 2d per annum rent to the Stamford estate (Dunham Massey) for Brooks Farm, Hale, 18 acres valued at £1 10s 2d. The lease was not renewed after 1704. In Jill Groves notes the value is unknown, the rent is £1 10s 2d, and duties are 8s 2d so maybe I copied it wrongly.

On May 14th 1719 Josiah was a life on a lease taken by his son John for a messuage in Hale Barns. This messuage is later known as Easty Lane tenement on Eastoe/Easter Lane (now part of Hale Road). The lease is known from a reference in a later lease. Josiah's grandson John is the third life on the lease.

In 1723 A Josua signs the Oath of Allegiance in Northen Etchells.

Josiah was one of the leaders of the presbyterian movement in Hale, and one of the founders of Hale Chapel in 1723. R.N. Dore quotes Vicar Hyde naming him as Hale bailiff to the second wife of the late John Crewe, also as "main and chief pillar of the conventicle".

Josiah's is referred to as the attourney or agent on all Crewe estate leases between November 5th 1686 and June 6th 1722, the landlord being Lady Lucy Crewe, and her husband, first Charles Turner and later William Frowde.

Josiah is thought to have remarried because of the burial of Margaret, wife of Josiah of Northenden, as this was where he was living when he died. However no marriage has been found, and she is not buried in the same grave.

Josiah signed a will on 8 April 1729. The will mentions Josiah's brother John and his wife Elizabeth, showing them to be still alive when it was signed. He bequeathed:

- Twenty shillings to John Coppock; and £80 to each of his children: Bryan, William and Jane.
- To daughter Deborah Coppock's children, £80 to Josiah, and £60 to Mary (because he had provided money for the purchase of land at Crossacre which is settled upon her on her mother's death).
- One shilling to son John's wife Mary.
- To son John's children, John and Jane, £80 each.
- The interest on £10 to the poor of Hale.

- The interest on £20 to the nonconformist minister at Hale Chapel.
- Five pounds to brother John, or if dead, his wife Elizabeth.
- small amounts to good friend William Marsh (40s), Hannah Higson daughter's maid (40s) Richard Rylands daughter's man (20s), Rev Mr Worthington at Dean Row (40s), Rev Joseph Hankinson (40s).
- Twenty shillings for the poor of Etchells.
- The rest, including chattels, personal estate and Chief Rent to go one half to Deborah and one half divided amongst John and his two children.

John and Deborah were executors.

The inventory was appraised on April 23rd 1730 by Josiah and John Hankinson and consists of household items, including books valued at £8, and the sum of £1027 of 'money at interest'.

The parish burial record at Bowden refers to Josiah of Northen parish buried March 28th 1729/30. He is buried in grave P493 "in the 73rd year of his age". with his wife Jane, his great great grandson Josiah (aged 10 months), and his great grand daughter-in-law. The grave has his date of death as 1729. This is on the old Julian calendar when New Year was 25th March. It is 1730 by the modern Gregorian calendar.

257. Jane Hollinpriest. Jane was born in 1656. She was buried in Bowdon, St Mary, Cheshire, in 1685. Jane died on 30 Sep 1685.

258. James Hanson. James was born in Mobberley, Cheshire. James died in Hale Low, Hale, Cheshire, on 13 May 1723.

James left a will.

288. John Davenport, son of **576. John Davenport.** John was born in Mere, Cheshire, in 1687. He was christened in Rostherne, Cheshire, on 22 May 1687. John died in Mere, Cheshire, in 1767. He was buried in Rostherne, St Mary, Cheshire, on 14 Sep 1767.

John was baptised the son of John Daveonport of Moyre (sic). He was buried as John Davenport of Mere.

289. Catherine.

296. Ralph Pickstone, son of **592. Andrew Pickstone** & **593. Elizabeth Timperley.** Ralph was born in Altrincham, Cheshire, in 1688. He was christened in Bowdon, St Mary, Cheshire, on 2 Feb 1688. Ralph died on 12 Dec 1767. He was buried in Bowdon, St Mary, Cheshire, on 12 Dec 767.

‘Raphe’ Pickston was baptised the son of Andrew of Altrincham.

In the 1729 will of his uncle Ralph, Ralph is left his house and croft.

A lease dated February 2nd 1741 in the Stamford Estate records is for Tenement 32, a cottage and tenement in Altrincham with a croft and a small enclosure lately taken from Hale Moss. The lessee is Ralph senior of Altrincham, gardener. The tenement was previously in the possession of John Pickstone, deceased, the father of the lessee. The rent is 1s 4d, and the consideration £4. The naming of Ralph's father as John contradicts many Ancestry Public Trees which seem well supported by parish records. Also Ralph's accepted father Andrew had been dead for 40 years at the time of the lease, and was living in Stretford at the time of his death. An explanation is that John is Ralph's eldest brother, though no burial record for John has been found.

Ralph's will was signed on October 20th 1767 and probate was granted on December 21st 1767. He mentions:

- A cottage, tenement with crofts, and appurtenances being by the side of Hale Moss within Altrincham, in the possession of George, his son.
- daughter Jane Smith, widow of Peter Smith.
- Elizabeth, the widow of his son Ralph
- a tenement and appurtenances purchased from John Bradbury
- Daniel, son of Elizabeth.

Ralph was from Hale on his burial record.

297. Mary Davenport, daughter of **576. John Davenport**. Mary was born in Mere, Cheshire, in 1686. She was christened in Rostherne, St Mary, Cheshire, on 21 Feb 1686. Mary died in Altrincham, Cheshire, on 18 May 1740. She was buried in Bowdon, St Mary, Cheshire, on 19 May 1740.

Mary was baptised the daughter of John Davenport of Moire (sic).

Mary's grave bears the inscription:

Tenth Generation

512. John Warburton, son of **1024. George Warburton** & **1025. Sibill Perrin**. John was born in Hale, Cheshire, in 1608. John died on 8 Jun 1691. He was buried in Bowdon, St Mary, Cheshire, on 10 Jun 1691.

John is buried in grave P407, though this gravestone is probably not in its original position. He died "in his 83rd year", giving a date of birth in 1608-9.

John son of George is equated with John husband of Margaret because he is likely to have survived to 1667 when the Poll Tax was conducted (though burial records for that period seem to be missing). John son of George is definitely alive in 1662 when he and his wife receive a legacy from the estate of John Eaton. The other 2 Johns in the Hale Poll Tax record can be discounted as one is an unmarried labourer, and the other is a wheelwright who can be identified as a descendent of George's contemporary William the Elder of Hale (d. 1611) through several wills linking that family to the Johnson family. Also John and Margaret, like George, are linked to Hale Barns, specifically in the baptism records of Margaret, George and Josiah.

John is a named life on a 3 life lease taken by John Burgess for a messuage in Hale Barns, and dated November 1st 1617. The other lives are John Burgess and his wife Sibill.

John is a life on a lease, dated March 25th 1623, taken by his father for land previously occupied by Robert Letherborough sen, along with Robert jun. and Ann Hardy.

A John, believed to be this John, was a witness to the will of Robert Hollinpriest, dated April 17th 1647. A John also witnessed the wills of Andrew Gardner dated Sept. 11th 1641, died 1648, and Elizabeth Goulden dated April 23rd 1649.

John's wife Margaret receives bequest of £10 from her father's will, dated May 20th 1654 and proved Sept 25th 1654 at Westminster. His children also get 6s 8d each.

A John is executor of the will of George Goulden, Tanner, of Hale, dated January 12th 1660. Thomas is a witness. This is probably John and his son Thomas.

There is a bequest of 10s to John and his wife in the Inventory of John Eaton, his brother-in-law, dated January 23rd 1662.

The appraisal of John's mother-in-law Margaret Hardy's Inventory was performed in 1664 by Henry Warburton, raising the possibility he was related, possibly another son who had left home by 1667. However it is more likely he was the brother of John Warburton, wheelwright, whose relationship to John, if any, is unknown.

There is a reference to a John with 2 hearths in the 1664 Hearth tax records.

Three John's are mentioned in Hale in the 1667 Poll Tax records. The first is a labourer, unmarried. The second is a wheelwright and linked to William Warburton the Elder (died 1611) via a number of legacies from the Johnson and Coppock families. The third is this John. His wife and his 7 children are also listed.

A John, possibly this one, performed nine appraisals of Inventories in Hale between 1663 and 1679.

John made his will on January 14th 1687. His wife and five sons receive bequests. There is no mention of his 2 daughters (Deborah is known to be dead). All the sons are also executors, except George (who was also not an executor on brother Enoch's will). This might imply that George did not live near, or he wasn't considered capable of performing the role.

His inventory (date unclear) consists mainly of household items, farm implements and some crops in the ground valued at £88 17s 0d.

513. Margaret Hardy, daughter of **1026. James Hardy** & **1027. Margaret**. Margaret died on 3 Oct 1696. She was buried in Bowdon, St Mary, Cheshire.

On January 2nd 1646 Henry Hardy, Margaret's uncle bequeathed monies owed to him by various parties to be divided between 4 nephews and neices, including Margaret. His inventory showed debts owing of £56 3s 5d.

On May 20th 1654 Margaret received a bequest of £10 from her father's will, proved Sept 25th 1654 at Westminster. Her children also get 6s 8d each.

576. John Davenport. John died on 31 Jan 1733. He was buried in Rostherne, St Mary, Cheshire, on 31 Jan 1733.

As there is no John Davenport in the Hearth and Poll Tax records of the 1660s in Ashley, Mere, or Rostherne it is not possible to prove a link with the sons of Edward of Ashley baptised at Bowdon in 1642 and 1647.

However a DNA result from a descendant of John is one of a group of 19 results that have been linked back to Orme de Davenport, the founder of the Davenport line. Orme was born in the middle of the 11th century on the Dane river, near Congleton, Cheshire. The result is one of three that form a lineage below SNP R-A501 which dates to AD1467 (1167-1682). However the other two form a further, separate lineage below SNP R-BY127227 which is dated AD1591 (1287-1790). The lineage separated from all other Davenport lineages before the occurrence of SNP R-127227. The result is from a descendant of Samuel Davenport (bap. 1758), the brother of Joseph (1753-1823) the great grandfather of Hannah Davenport who married my great grandfather George.

John was possibly the John of High Legh parish buried in 1733.

592. Andrew Pickstone, son of **1184. Ralph Pickstone** & **1185. Margaret**. Andrew was born in Altrincham, Cheshire, on 26 Mar 1658. He was christened in Bowdon, St Mary, Cheshire, on 4 Apr 1658. Andrew died in Stretford, Lancashire, on 17 Jun 1700. He was buried in Bowdon, St Mary, Cheshire, on 23 Jun 1700.

Andrew Picstone was baptised the son of Raphe (indistinct). Andrew of Stretford was buried at Bowdon suggesting that was where he was then living.

593. Elizabeth Timperley, daughter of **1186. Thomas Timperley** & **1187. Margaret Brunderett**. Elizabeth was born in Bowdon, Cheshire, in 1663. She was christened in Bowdon, St Mary, Cheshire, on 8 Mar 1663. Elizabeth died in Altrincham, Cheshire, in 1731. She was buried in Bowdon, St Mary, Cheshire, on 5 Dec 1731.

Elizabeth was baptised the daughter of Thomas of Bowdon. She was buried as Elizabeth Pickstone of Altrincham.

594. John Davenport. (Same as number 576.)

612. James Whitelegg, son of **1224. William Whitelegg** & **1225. Margaret**. James died in Northenden, Cheshire, in 1681. He was buried in Northenden, St Wilfred, Cheshire, on 19 Jan 1681.

613. Hannah Ashley. Hannah died in Northenden, Cheshire, in 1689. She was buried in Northenden, St Wilfred, Cheshire, on 31 Dec 1689.

614. John Royle. John died in Hale, Cheshire, on 13 Nov 1705.

708. Richard Royle.

709. Esther Brundit.

1000. Thomas Gilkes, son of **2000. Thomas Gilkes**. Thomas was born in Sibford Ferris, Oxfordshire, in 1723. He was christened in Swalcliffe, Oxfordshire, on 21 Jul 1723.

Thomas was baptised as the son of Thomas. No mother is mentioned though most baptisms at this time do name the mother.

1001. Mary Watts, daughter of **2002. Joseph Watts** & **2003. Aphrodosia**. Mary was born in Sulgrave, Northants, abt 1726. She was christened in Sulgrave, Northants, on 13 Feb 1726.

Mary was baptised the daughter of Joseph Watts and Affrica (sic)

1002. William Humphrey, son of **2004. John Humphrey** & **2005. Susannah Gilkes**. William was born

in Moreton Pinkney, Northants, in 1722.

1003. Mary.

Eleventh Generation

1024. George Warburton, son of **2048. Thomas Warburton** & **2049. Alice**. George was born in Cheshire abt 1575. George died in Hale Barns, Cheshire, in 1639. He was buried in Bowdon, St Mary, Cheshire, on 24 Jun 1639.

George is identified as the father of William of Northenden by the reference to John Eaton in the wills of both George and William.

George is identified as the brother-in-law of Thomas Perrin in the later's will. Either George's wife Sibill was Thomas's sister, or Thomas's wife Sibill was George's sister, or both.

The sequence of his daughters is based on the order they are mentioned in his will. Ellen is probably last because she is unmarried, not necessarily the youngest.

On November 1st 1616 George leased land from Sir Baptist Hicks, formally occupied by widows Elizabeth Antrobus and Alice Holt. The lease is 99 years or 3 lives (sons William and Thomas, and William Barrett). Elizabeth Antrobus' husband John's will in 1612 makes a bequest to William and Margaret Barrett. Therefore William Barrett is already linked to the property. This is possibly the William Barrett who was a Civil War preacher at Ringway chapel.

On November 1st 1617 John son of George Warburton is a life on a lease taken by George Burgess.

On February 6th 1624 George is mentioned in the Nuncupative will of Thomas Perrin. He heard the deceased's wishes, is described as his brother-in-law, and is named executor. He made his mark.

On March 23rd 1625 George leased land from Sir Baptist Hicks in Ringway formerly leased by Robert Leatherborough (Leatherbarrow). It is a 99 year lease with 3 lives (son John, Robert Leatherborough jnr. and Ann Hardy). George's son John later married Margaret Hardy, but her relationship to Ann is uncertain.

These 1616 and 1625 leases probably represent secondary ventures rather than his main land holding.

On May 8th 1628 the accounts of Sibell Eaton formally Barrington, George's daughter, include references to a payment due by George Warburton dependant upon the death of Thomas Warburton, and a claim by George against John Barrington's estate. This implies George is due to inherit from Thomas, and is evidence Thomas is George's father.

George signed a will on 6 August 1638. This will is the main evidence for the existence of his children. Five daughters, 4 sons-in-law, and 2 sons are named as beneficiaries, with John being the main heir.

Georges's Inventory was appraised on 28 June 1639 by James Hardy, John Burgess, William Ashley and George Warburton. This is probably the George of Hale who signed the Grand Remonstrance in 1642,

and who appraised may wills in Hale up to 1639. No other evidence of him has been found.

The effects were valued at £304 1s 8d and included a horses, cattle (20), sheep (21), two pigs, poultry and geese , plus produce, farming equipment and spinning wheels and books. He also had a five year lease on a tacke of ground (2 closes) that was part of the tenement of John Burgess (probably the tenement on which George's son John was a life), plus a close of grass from John Duncalfe. He was also owed £40 by his son John.

1025. Sibill Perrin. Sibill was born in Hale, Cheshire. Sibill died in 1653. She was buried in Bowdon, St Mary, Cheshire, on 27 Oct 1653.

On July 4th 1639 Sibill is said to be in joint possession of Hill Top house tenement in Hale with her son William.

Circa 1644, Sibill is named as a tenant on an undated rent roll from the reign of Charles 1. This might be the land leased in 1616, though since all the known leases George was involved with included non-family lives, it is possible they were additional to his main holding.

Sibell's burial record reads: "Sibell Warburton 1653. Sibell Warburton of Hale widow departed This Life in Dunham Township at the house which is ccommonly called the Deynrey House In Sinderland, the 26th day of October, and was buried the 27th day of October In the year of our Lord 1653.

1026. James Hardy. James died in 1654. He was buried in Bowdon, St Mary, Cheshire, on 26 May 1654.

1027. Margaret. Margaret died in 1664. She was buried in Bowdon, St Mary, Cheshire, on 10 Mar 1664.

1184. Ralph Pickstone. Ralph was born abt 1629. Ralph died in Altrincham, Cheshire, in 1685. He was buried in Bowdon, St Mary, Cheshire, on 17 Feb 1685.

Over 370 Public Trees on Ancestry identify the Ralph Pickstone who was buried in 1686. Most of these say he was born in 1629 though there are some variations. The parish records and Bishop's Transcripts for Bowdon parish are faded in parts but no baptism of a Ralph Pickstone is evident. There are no records of Bowdon baptisms before 1628. There are no references to various spellings of Pickstone in the Stamford Estate records at John Rylands library that predate the parish records. However there are baptisms from two other families roughly contemporary with Ralph's family. If the Pickstones of Bowdon parish descend from a single incomer, then it is likely to have happened before the advent of parish records at Bowdon, but there is no certain evidence of when that was, or from whence he came.

Many Ancestry Public Trees identify Ralph as being the son of Richard Pickstone who was buried at Bowdon in 1672, and variously born in Micklestone, Staffordshire, or Runcorn, Cheshire, or

Bollington, Cheshire in 1595 or 1601. His only known marriage was after Ralph's birth so their relationship is uncertain. Therefore Ralph is the earliest certain ancestor of the Pickstone/Warburton line.

Ralph was buried as Ralph of Altrincham.

1185. Margaret. Margaret died in Altrincham, Cheshire, on 9 Jan 1712. She was buried in Bowdon, St Mary, Cheshire, on 15 Jan 1712.

Margaret Pickstone of Altrincham, widow, was buried. Affidavit by Elizabeth Pickstone (probably son Andrew's wife).

1186. Thomas Timperley.

1187. Margaret Brunderett.

1224. William Whitelegg. William died in 1671. He was buried in Northenden, St Wilfred, Cheshire, on 7 Dec 1671.

2004. John Humphrey, son of **4008. Christopher Humphrey** & **4009. Mary Woodward.** John was born in Sulgrave, Northants, in 1693.

2005. Susannah Gilkes.

Twelfth Generation

2048. Thomas Warburton. Thomas was born abt 1550. Thomas died in 1635. He was buried in Bowdon, St Mary, Cheshire, on 14 Jan 1635.

The evidence for believing Thomas might be George's father is as follows:

The reference in Sibil Eaton's accounts of 1628 to 'certain articles that George Warburton shall pay unto George Birch and George Burgess £20 within six months next after the decease of Thomas Warburton, which Thomas is still living', implies a link between a George and a Thomas. Although there is evidence of 3 George's in Bowdon parish at this time (2 of them in Hale), the further reference to George taking action for a debt adds to the view that Sibil's marriage portion to her deceased first husband John Barrington may be involved. Also the dependence on Thomas's death implies an expected inheritance.

George is linked to George Burgess in a lease from 1617 where George Burgess is the tenant, and George's son John Warburton is a named life. In George's will he is leasing land from George Burgess. In Thomas's Inventory he has a lease from William Duncalfe, and George in his Inventory has a close from John Duncalfe. The relationship between William and John Duncalfe is not yet known.

Finally Thomas and George are both linked to Hale Barnes.

Since George's children are born from around 1600 onwards his birth must be before 1580 (say 1575), so Thomas must have been born around 1550, making him in his 80's at death.

In 1604 Thomas was an overseer and witness to the will of Robert Barlow, who died in 1611. Thomas is described as 'of Hale Barns'.

In 1624 he and Thomas the younger are witnesses to Richard Grantham's will. Thomas the Younger might be Thomas's son, i.e. a brother to George, or maybe his son, Thomas's grandson. There is no other evidence of Thomas the Younger so he is presumed to have died without issue.

Thomas's Inventory was dated January 20th 1635. The date is actually given as 1634 but prior to 1752 New Year was towards the end of March. By convention this date is normally rendered as 1634/5, but in this tree all such dates are only rendered according to the modern calendar.

The Inventory was appraised by James Hardy, William Hardy, James Coe and John Litherland. His effects were valued at £98 9s 6d and included horses (2), cattle (6), sheep (6), a pig, poultry (7) and geese (4), plus produce, farming equipment and a spinning wheel. He also had a four year lease on a tacke of ground (half a close) from William Duncalfe.

2049. Alice. Alice died in Hale, Cheshire, in 1650. She was buried in Bowdon, St Mary, Cheshire, on

13 Jun 1650.

The identification of Thomas's wife as Alice is based on Norman Warburton's book in which he details Thomas's Inventory and refers to his widow Alice. I don't have this reference on my copy of the Inventory but I have seen it on the original in the Chester Records Office.

Given that if Thomas is George's father he probably died in his 80's, a widow would probably be a second wife, and not the mother of George. There is no direct evidence that the Alice buried in 1650 is this one, but it's the only likely one on record.

PREFACE

This family was discovered whilst developing the Shocklach clans, but although it lives in the same area, no link has yet been found. It was subsequently extended when investigating the origins of Private Fred Warburton of the 8th Battalion, Lancashire Fusiliers who is recorded on the Thiepval Monument to soldiers missing on the Somme.
